Bill Thiele and David Burr

From New Member David Burr: One of my suggested activities as a new member is to "interview a fellow Rotarian and prepare a profile for publication in our bulletin.". Here's what I learned in talking with Rotarian Bill Thiele.

Bill Thiele has been a member of Rotary since 1995. His father was the president of a Kiwanis chapter and originally Bill leaned towards joining that organization, however that chapter eventually closed which gave him the opportunity to join The Rotary Club of Perrine-Cutler Ridge / Palmetto Bay in South Florida where he was an active member and served as President in 2011-2012. Bill and his wife later relocated to the Atlanta area and he joined the Dunwoody chapter in 2014. His favorite volunteer activity with our club was acting as co-chair for the Dunwoody State of the City.

Bill is the manager of the Ameris Bank location "across the street from Village Burger". During his free time, Bill is passionate about restoring cars - he is a Grand National Award Winner from the Antique Automobile Car Show of America. His current project is restoring a 1969 Pontiac GTO. He has also been a nationally-ranked drag racer with races in Atlanta, Indianapolis and Gainesville, FL.
