

DISTRICT 6900 NEWS FOR OCTOBER, 2019

- Thanks for All You Do!**
 By Jim Squire
 Dennis and I have been enjoying the wherewith that is part of being your District Governor. The work you are doing in our communities and the world is amazing - and this newsletter offers a good taste of all that is happening throughout the district. In the last few weeks, our East Polio Now efforts were highlighted in the Health Symposium organized and hosted by the **BC of Emory-Clifton**, supported by a golf tournament hosted by **Lake Spivey/Clayton** as well as a great night of fellowship at the Atlanta Braves game - where the Braves lost but Rotary won - with a \$2500 contribution from the Braves toward ending polio that multiplies to \$7500 with the Gates Foundation match. We have an opportunity to focus on this important effort again at our World Polio Day Event at the CDC on October 24. All the details for that event are included in this newsletter; we hope to see you there. [more]

Who Spends the Money You Donate to the Annual Fund?
 By Cheryl Coover
 Assure - you and other Rotarians. In fact, only Rotarians decide how to use the money. When you donate to the Annual Fund, half the money comes back to District 6900 three years later to be used for our District Grants, Global Grants, and Global Scholars. The rest remains with the Rotary Foundation to provide matching funds for Global Grants. No charity or other organizations can apply to use Rotary Foundation for funds. No board of trustees looks at the money and decides how to disburse it.
 Gifts to the Annual Fund, also known as SHARE, are the primary source of funding for a broad range of local and international grants that change lives. So what did your club do for a District Grant this year? The Rotary Club of Moultrie shares in this newsletter about its grant that helped a local elementary school. How has your club made a difference in your community through the use of District Grants? Did your club do a District Grant this year? If not, why? Do you need help with obtaining a District Grant? If so, please contact Gillian Leggett of the Wilton Rotary Club. [more]

GRSP: An Experience of a Lifetime
 By Lynn Clarke
 I had never been abroad for a long period of time before. Despite that, I did not hesitate when I almost a year ago, found out that I had been offered the Georgia Rotary Student Program scholarship. I was not completely sure what I was expecting from my year far away from home. I was certain I was going to miss my family, but I was also sure that this would be a one in a lifetime opportunity for me. I figured that I would experience a new culture and gain memories that would last a life time. But despite getting on a plane with all these hopes and thoughts in my head, I was unprepared for what would really make my year in Georgia amazing. I had not taken into account the people I would meet. [more]

Moultrie Gives Face Lift to Local School
 By Jocelyn Donovan
 The **Rotary Club of Moultrie** recently completed a beautification project at the main entrance of Cox Elementary School. One of ten elementary schools in Colquitt County, and on the lower income scale compared to the rest, Cox Elementary had a front entrance with a less-than-desirable appearance. Since first impressions are extremely important, the faculty and staff desired a better forward-facing image to parents, visitors and students entering the school... So Moultrie Rotary stepped in to help - with help from a District 6900 grant. [more]
