President's Message

We Got This

Whether it is walking around town and seeing signs like this one to encourage people to hang tough, or families spending time together outside or the many stories I have heard like the one below about people helping their neighbors, WE GOT THIS! As Americans and as Rotarians we have a strong desire to take care of one another despite the situation and this is no different. Please let me know if you, someone you know or an organization we support has a specific need so I can help spread the word. There are several great ways to serve others outlined in this week's Rotascope. Stay safe, I look forward to seeing you all in person soon.

Bill & Patsy Wolf

Helping A Neighbor In Need

On behalf of Patsy Wolff, Bill reached out to the club to see if we knew a local family that had been impacted by COVID-19. Stacy Perlman helped us identify a family who was living in one of our extended stay hotels that was falling behind on rent. The dad was just laid off from his 1st job and had his hours reduced at his second job. The mom is pregnant with baby #4. Bill and Patsy helped the family catch up and covered next months rent so this family can get back on their feet. When we are able to visit our friends at St. George Village, I encourage you to stop by and thank Patsy for her continued generosity to our community.

Heroes Work Here

Thanking Our Health Care Workers

A group of anonymous Roswell Rotarians paid for this sign to go up outside of Wellstar North Fulton so their employees would know our community appreciates them. As a club we would like to buy them all a meal for a total of 400 meals across 2 shifts. Please consider making a contribution to help us buy our health care workers a meal as a way to show our thanks.

Support Drake House Families

Send Gift Cards For Groceries

Drake House has asked if we can support their families by sending gift cards for stores like Publix, Kroger, Walmart, Amazon, Target and Aldi so they can buy much needed groceries. Every little bit helps, so please consider adding a couple gift cards to your basket next time your venture out to go shopping. For more information, call 770-587-4712 or email: info@thedrakehouse.org. Gift cards can be mailed to:

Another Way To Help Supporting Kids In Need

Stand Up For Kids has an immediate need for feminine hygiene products, protein bars, Amazon gift cards for essentials and Uber/Lyft gift cards to help get people to much needed resources like NFCC. Robert Fezza is our club liaison so please coordinate delivery of your donations to Stand Up For Kids.

A Fun Way To Help Be A Video Mystery Reader

Stacy Perlman asked me to be a virtual mystery reader for her students. They are sending kids videos of people reading a story and adding sound effects and props to make the stories more fun. Families are loving these videos. If you are interested, please email Stacy a link to your video on YouTube.

Saturday, June 13 | 11:30AM - 4:00PM | Columbus, GA District Conference Now A Celebration

We will fire up the old school party bus and head to the Bibb Mill event facility in Columbus, GA to celebrate what has been one hell of a Rotary year on Saturday, June 13, 2020. Please save the date and plan on joining Rotarians from around the district for some much needed fun. For those of you that registered for district conference, your fees will be refunded in the next 10 days. If you booked a room in the group block it will automatically be cancelled with no penalties. I suggest you call to make sure your room reservation has been cancelled to be on the safe side.

Rotarians In Isolation

Since we haven't been meeting or getting out much as a group, I borrowed a few pics from Facebook to show what some of us have been up to during self isolation.

FAMILY OF ROTARY

Our membership cares deeply about the needs and concerns of our members. We don't want to miss an opportunity to reach out in friendship when such concerns arise. The chairperson of this committee is Lynn Dunn and all news should be directed to her at
