PRESIDENT'S CORNER

Welcome to the Sandy Springs Rotary Club

Welcome Sandy Springs Rotarians, friends and guests.

So far, this Rotary year has been challenging coping with the COVID-19 pandemic. We thank all who have been able to attend meetings in person and on Zoom. Although our service projects have been limited by the virus we have been able to help school children needing distance learning and for those in our community needing food. We are also doing great with our medical recycling program benefiting seniors. I thank our club members and officers in working hard to hopefully have our club once again achieve "Club of the Year" status.

Visitors are welcome to experience the Rotary Club of Sandy Springs' hospitality and energy. Meetings are typically the 1st, 2nd & 4th Mondays. Lunch is served at noon and the 1 hour program begins at 12:15. Hilton Perimeter Suites, 6120 Peachtree Dunwoody Road, Sandy Springs, GA 30328.

Reserve a spot by going to our website at www.sandyspringsrotary.org. Join your fellow professionals, community and business leaders, and learn how Rotary can benefit your future. Experience Rotary Making Things Happen in Sandy Springs!

Past Program

Sandra Craine - Presented a brief story of Anne Frank and her family.

This past Monday, March 15th, Sandra Craine with the Georgia Commission on the Holocaust spoke to our club about her organization.

Their mission is to preserve the memory of the Holocaust and promote public understanding. The museum she handles ensures that we all have an accurate picture of the Holocaust. It is an important part of the education of all citizens. We all must be encouraged to reflect upon the moral questions raised by this unprecedented event and our responsibilities of citizens in this great democracy.

The Commission was established by Executive Order by Governor Joe Frank Harris in 1886. It consists of fifteen members appointed equally by the Governor, Lt. Governor and Speaker of the House.

Sandra spoke at length about Anne Frank and her propensity for writing. Anne received a diary on her 13th birthday. In it, she described her day-to-day life from 1942 until 1944 living in Amsterdam during Nazi occupation. Because her writing was elegant and thoughtful, it fell under suspicion that it all could be propaganda. However, these suspicions were unfounded. Her diary has been studied for authenticity and its legitimacy has been confirmed.

Anne Frank's family had tried for years leading up to the war beginning in 1940 to immigrate to the US but was unsuccessful. At that time, the US government had passed legislation limiting immigration. The reason for this was the ongoing depression and fear of Americans losing jobs to immigrants.

After the family was discovered in hiding and taken away, the Belgium government found and gathered many of the diary's pages. By the end of the war these pages were used to chronicle life during the occupation of Europe.

In the end, less than 25% of Dutch Jews survived.
