PRESIDENT'S CORNER

Welcome to the Sandy Springs Rotary Club

Welcome Sandy Springs Rotarians, friends and guests.

So far, this Rotary year has been challenging coping with the COVID-19 pandemic. We thank all who have been able to attend meetings in person and on Zoom. Although our service projects have been limited by the virus we have been able to help school children needing distance learning and for those in our community needing food. We are also doing great with our medical recycling program benefiting seniors. I thank our club members and officers in working hard to hopefully have our club once again achieve "Club of the Year" status.

Visitors are welcome to experience the Rotary Club of Sandy Springs' hospitality and energy. Meetings are typically the 1st, 2nd & 4th Mondays. Lunch is served at noon and the 1 hour program begins at 12:15. Hilton Perimeter Suites, 6120 Peachtree Dunwoody Road, Sandy Springs, GA 30328.

Reserve a spot by going to our website at www.sandyspringsrotary.org. Join your fellow professionals, community and business leaders, and learn how Rotary can benefit your future. Experience Rotary Making Things Happen in Sandy Springs!

Atlanta Angels Describe Their Mission

On Monday, June 28th Amanda Price and Savannah Pierce described their own brand of creative and helpful augmentation to the foster care system that the Angel Alliance has brought to the Atlanta area. The Angel Alliance is a national non-profit organization serving twenty-two cities around the U.S. and currently 10 counties around Atlanta. The mission statement for the Angel Alliance is to walk alongside children, youth, and families in the foster care community by offering consistent support through intentional giving, relationship building, and mentorship.

Though only in their first year serving Atlanta, and despite COVID-19, they have already had the opportunity to aid foster care children and families 500 times. Amanda and Savannah described how helpful and important a good foster family can be for a child. They know that each child needs consistency and care from those closest to them to promote success. They then described the many ways a foster family can struggle and often fail because of unforeseen challenges.

To help families with foster children, the Angel Alliance has created a special service called the Love Box program. This is an actual cardboard box that can contain meals, groceries, cloths, shoes, and household supplies. The boxes can also contain encouraging notes, gift cards and gas cards as well as other resources that help support the foster community.

“Every child deserves a healthy adult that knows the color of their eyes and the passions of their heart.”

The Angel Alliance can use your help. The most important thing they need are volunteers. The two described several levels of commitment that are needed. The first is called an Angel Ally. This program uses volunteers for one-off emergency situations. A second level of commitment could be becoming a \$33 monthly donor. Just \$33 a month can support one child through their program.

The Rotary Club of Sandy Springs would like to thank Amanda and Savannah for their dedication to the lives of all the foster children they support. Each life they improve touches our community in a profoundly helpful way.
