President's Message

We had a full house of Interact students this last week giving us a glimpse into the future of our community! The first Interact club was authorized at Melbourne High School, Florida, in 1962. The name "Interact" came from combining the words "international" and "action". Our club has demonstrated that we are a club of action by expanding our Interact involvement to students of all grade levels. Today Roswell has ten Interact clubs in our schools with 200 active students learning how to give back to the community. The future is bright!

As we approach the holiday season there will be plenty of opportunities to give back to the community and have some fun doing so with your fellow Rotarians. Mark your calendars for the Holiday Party on December 3rd. Chris Archer is planning a great evening with some added twists to our night.

Don't miss this week's speaker Todd Callen. He will discuss a creative and fun way to look at the business environment in this crazy world we live in!

Speaker November 11, 2021

Todd Callen

Todd Callen- Helping companies grow sales

Todd's passion is helping companies rapidly grow their sales! He has over 25 years of sales and revenue leadership experience, working with small to mid-size companies to aggressively grow and build out sales teams. Todd will discuss the blend of the quantitative (the sales numbers, the forecast, the pipeline, the close rates) and the qualitative (how "effective" is our positioning, value proposition, ability to convey and persuade).

Todd lives in Roswell with his wife Kelly and two children Dillon (14) and Presley (11). Todd also loves comedy, sports, and really good coffee (but any coffee will do in a pinch).

If you can't be 'in person' for launch

Become a Paul Harris Fellow

November is Rotary Foundation Month

Most of you know that November is *Rotary Foundation Month*.

It's during this month that we put a push in the Roswell Rotary to have everyone in our club contribute to the Rotary Foundation. **What you may not know is that our club will match your donation up to \$300 to help you reach the next Paul Harris Fellow level.** This year, if you were within \$600.00 of the next PHF level, you would have received an email from Don Horton, Roswell Foundation Chair, outlining the amount you needed to reach that next level, the amount you needed to give to get the club matching funds. There were 63 individuals who were within \$600.00. Out of those, 15 people stepped up and received the matching funds. Additionally, three individuals wanted to become Major Donors and went well beyond the match to do so. We plan to honor all the Paul Harris Fellows, and Major Donors in January of 2022.

Every Rotarian, Every Year

Another push for the Rotary Foundation is what we call EREY, which means Every Rotarian, Every Year. During this period, we ask all Roswell Rotarians to give at least \$25.00 to the Rotary Foundation. In every case, to make it easy, you can simply have the contribution billed to your Roswell Rotary Account.

End Polio NOW donations count toward Paul Harris level

It should be noted that any contributions you make to the "End Polio Now" campaign does count toward your PHF status. In fact, you can designate any or all of your contribution to "End Polio Now" and every penny will go toward your Paul Harris Fellow level.

Why contribute to the Rotary Foundation?

The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world. Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects. With your help, we can make lives better in your community and around the world. The mission The Rotary Foundation helps Rotarians to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty.

What impact can one donation have?

- For as little as 60 cents, a child can be protected from polio.
- \$50 can provide clean water to help fight waterborne illness.
- \$500 can launch an antibullying campaign and create a safe environment for children.

Please donate to the Foundation during November!

So will you please consider giving to the Rotary Foundation during the month of November. Our club benefits from many of the grants given by The Foundation.

Business Networking Event for Rotarians

Paul Harris formed the Rotary in 1905 so that professionals with diverse backgrounds could exchange ideas, form meaningful, lifelong friendships, and conduct business together. Paul Harris was networking well before 1985 when telecommunications expert and consultant Bill Lewis is believed to be the first person to use the term "networking" to describe connecting people in order to build a business network.

While Rotary is about "Service Above Self," there is a growing place for networking in Rotary, particularly for those earlier in their careers, and those responsible for generating revenue. It is an opportunity for you or someone on your staff, or someone you are interested in recruiting to Roswell Rotary.

Last month's gathering again drew a crowd - with Rotarians from the Atlanta Metro, Dunwoody, Peachtree City, Roswell, Sandy Springs and Tucker clubs. While it had similarities to other networking events, you knew that attendees honored the integrity of the 4 Way Test.

The next event returns to the Iron Hill Brewery & Restaurant, 1224 Hammond Dr, Dunwoody, GA 30346, between the Perimeter Mall and the MARTA station.

So plan to join us on Nov 16 from 6:30 - 8:00pm. For more information, please contact [Hal Schlenger](mailto:Hal.Schlenger), or Johnathan Clark of the Tucker Club (johnathanmclark@gmail.com | 404.512.6058)

 In cooperation with the City of Roswell, Roswell Rotary is putting together a cleanup day on the grounds of Roswell landmark Bulloch Hall. Stay tuned for future updates and a specific date to be announced. Let's grab our tools and gather and help repay the City of Roswell in some small way for the use of the Gym and kitchen facilities that we enjoy each week. Walk (and talk) with a Doc Sat, Nov 20 8:00am

What could possibly motivate you to go for a walk on a Saturday morning?

 If you're like the majority of people, the answer is "not much." Would feeling as good as President Terry and Matt Millard and as svelte as President Terry and Matt Millard give you reason to reconsider?

After a brief talk from Dr Bush about tips to avoid the pains of life, we'll hike through the Vickery Falls trails. You can talk with Dr Bush or talk with others on the walk. It's an ideal way to start a weekend!

While this link lists 100 research articles how walking is good for you, Rotary is making it fun. We're joining up with the national "Walk with a Doc" program for a 2 mile and a 3 mile walk. In addition to the 100 reasons to walk, the 101st is to make room for Roswell Rotary's fried chicken for lunch. And there are several bonuses to participating in this community event

- Get advice from our monthly presenter
- Free parking
- Earn credits for free coffee at Roswell's Land of a Thousand Hills Coffee
- Sat, Nov 20, 8:00 - 9:30am. For questions, contact Hal Schlenger at HSchlenger@GreatSouthBenefits.com or 770.335.0077.
