Throwback Thursdays with Past Presidents President's Message July 14

It was great fun last week to play Roswell Rotary Jeopardy again and hear our contestants' bafflement as to which past president accomplished what in their year as president. That was just a teaser for what we are going to learn from these men and women throughout this Rotary year. As I mentioned, we have 28 past presidents still active in our club - that's more than the membership of some whole Rotary clubs! Twice a month, we will have a Throwback Thursday and invite a past president to share stories from their year - both serious and funny. You don't want to miss these. First up - Maurice Hillard - 1966-67.

This Week's Surprise? July 14 Program- Rotary's Impact

Are there more games in store this week? Come find out about our club's impact in the community and the world. Last year we undertook a significant Community Impact Project partnering with Wellstar North Fulton to create podcasts and videos to address behavioral health issues for our young people after years of COVID and disrupted lives. Soon we will announce this year's project that will again serve our Roswell community and be the major focus of our Golf & Tennis Tournaments. Come hear about our plans for the year and opportunities for our members to engage in service and fellowship.

FAMILY OF ROTARY

Our membership cares deeply about the needs and concerns of our members. We don't want to miss an opportunity to reach out in friendship when such concerns arise. The chairperson of this committee is Lynn Dunn and all news should be directed to her at

lynn.dunn@rmcpa.com

What was Roswell Rotary like in 1966 when we met under the water tower near Oak Street? We are blessed to have a past president from over 50 years ago who can tell us about traditions that continue to this day. You don't want to miss Judge Hilliard's Roswell Rotary history lesson.

We Want Your Blood...and Your Friends' Blood

Your Blood Donation Can Help Save Lives. Every 2 Seconds Someone in the U.S. Needs Blood. 1 Blood Donation Can Help Save Up To 3 Lives.

If we can't get your blood we must get it from others! So we're asking for your help by asking others! Make it a "Call To Action" and get a minimum of one friend or family member to give in your honor. It's a simple process that makes you feel so good when you deliver! Plus when giving a Pint of Blood you get a Pint of Beer from our friends at Gate City!

Sat, July 16 Butterflies & Walk in the Woods

Chattahoochee Nature Center hosts "Walk with a Doc"

This is a celebration and periodic check-in for how you are doing with your doctor's advice to do something physical. We're not judging; we're supportive. We're like-minded people finding a better, fun way to do what the doctor ordered. :-)

Our health talk will be Podiatrist Dr Richard Kaufman speaking about keeping your feet happy.

Then Dr Kaufman will join us for your choice of 2 or 3+ mile walks including access to the new riverfront trail.

Along the way, we participate in the special Butterfly Encounter before the general public comes to visit. A unique opportunity to be up close and personal with hundreds of native butterflies surrounded by colorful nectar plants. Photo opportunities abound. [\[more\]](#)

Storms & Watermelon

4th of July Fun Without Fireworks

Thank you Mickey Deaton for the most wonderful 4th of July celebration ever. Even though the storms sent us running for the cars at the end, it was a wonderful time! The fellowship of fellow Roswell Rotarians, the ideas for service flowing back and forth, the amazing grilling of those hamburgers and hot dogs and the sides people brought, and the watermelon-oh my, the watermelon. Ice cold South Georgia watermelons. We sure made some wonderful memories on the 4th. Join us next year!!!

After Hours Visits the VEO

After Hours members John Davies, Lindsay Davies and Amanda Verdin took a tour of the Veterans Empowerment Organization on Saturday morning. VP of Veteran Services Olga Lopez led the tour of the VEO facilities, including their brand new women's housing--they were cozy and warm! The VEO has some exciting upgrades on the horizon and After Hours can't wait to support this worthy organization as they continue to grow and support our Vets.
