President John's Message
Weak on Wheels driver... Volunteer reader and tutor in the local elementary schools... Health care worker... Supporter of education... Service above self... Sounds like an ideal Rodarian doesn't it?

But no...that was my mother. Allow me a personal aside I say "Thank You" to the many of you least words of condolence and prayers you say this past week upon the death of my mother - Margaret Canth. My family was blessed to have her in our lives for so many, many years.

Confronting The Fear of Other Religions in Roswell

Changes are happening in Parson's Religious Community Business

Our community thrives with Christians, Jews, Muslims and other religious beliefs. For more than 2 million years, people have truly used religious beliefs as the basis for acquiring power over the extent of bloody war. The result is religiousphobia, xenophobia, homophobia, Islamophobia, antisemitism, even Christophobia. How can we address these unhealthy fears while maintaining our religious beliefs and traditions?

[illegible]

Last week, after Hours had another great meeting. It was an honor to have Russell Rutley's own William Lindsay speak to the group. Lindsay gave us a lot to think about, he shared his own story with us, and then, when things got serious, the difference between standard/extended deductibles, small business taxes and so much more. Thank you, William! They also welcomed a new member to the club. Welcome, James Lambert!

Confronting The Fear of Other Religions in Roswell

Changes are Happening as Roswell's Religious Community Evolves

Our community thrives with Christians, Jews, Muslims and other religious beliefs. For more than 2 millennium, people have sadly used religious beliefs as the basis for acquiring power even to the extend of bloody war. The result is Religiophobia. Xenophobia. Islamophobia. Antisemitism. Even Christophobia. How can we address these unhealthy fears while maintaining our religious beliefs and traditions?

A minister, a rabbi and an imam walk into a Rotary lunch and....

Rev Kevin Head of the First Baptist Roswell Church, Rabbi Alexandria Shuval-Weiner - Temple Beth Tikvah and Faraz Iqbal representing Roswell Community Masjid speak openly and candidly about why they believe it is important to focus on our similarities rather than our differences. The outcome will be a stronger Roswell, a strong Atlanta, a stronger Georgia.....and a happier you.

Dr. Kevin Head began serving as Senior Pastor at First Baptist Roswell in March 2016. In 2007, Kevin and his wife, Amy, began a ministry-based counseling practice in the East Cobb/Roswell area. Kevin is a graduate of Furman University and the Southern Baptist Theological Seminary in Louisville, Kentucky. Kevin and Amy have two grown children, Jenna and Joshua.

Faraz Iqbal has resided in Tucker, GA, with his wife and 4 kids, for the past 16 years.

Involved in various nonprofit initiatives at the local and national levels, Faraz currently services on the board of the Roswell Community Masjid, the ACLU of GA, and the Islamic Speakers Bureau, Atlanta. He has been involved with youth work for over 30 years with a focus on helping youth develop into positive influencers and community leaders. He holds an MBA from Fairfield University, is PMP certified, and is an alumnus of the Leadership Atlanta Class of 2020.

Rabbi Alexandria Shuval-Weiner, a native Californian, has served as Temple Beth Tikvah senior rabbi since 2015. Presently she is completing her second term as the president of the Atlanta Area Board of Rabbis (the first woman rabbi to hold this position in the ARA). Constantly seeking ways to better live as a human being in sacred relationship with all of creation, Rabbi Alex strives to approach life with radical amazement, guided by the prophetic responsibility toward repairing the breach in the just functioning of the world. Her time is spent in support of organizations that focus on peace & justice. She and her husband have five grown children and are blessed with four grandchildren and six fur-grands.

After Hours Meeting Recap

Last week, After Hours had another great meeting. It was an honor to have Roswell Rotary's own William Lindsey speak to the group on taxes--just in time for tax season. He shared tips on how to save when filing, the difference between standard/itemized deductions, small businesses taxes and so much more. Thank you, William!

They also welcomed a new member to the club. Welcome, James Lambert!

The meeting ended with delicious cake to celebrate After Hours' first birthday. Time flies when you're havin' fun! The next RRAH meeting is Tuesday, March 21--same time, same place.

March 27 Blood Drive at Gate City 10:00am-6:00pm

Be Your Brother and Sisters' Keeper. We'll Provide the Beer.

Each of our religions teach that "We are our brothers & sisters' keeper." (Note 1) Knowing the giving blood saves lives, including patients at Wellstar North Fulton Hospital, and with only about 1 in 3 people able to donate blood (Note 2), here's how everyone reading this article can help:

If you can't give, convince a friend, employer, coworker or family member to schedule an appointment for Monday, March 27. Be a "keeper" by proxy.

If you can give, be a "keeper" by making an appointment for yourself to roll-up your sleeve.

On the 27th, you will rest peacefully that evening because you made a difference. You are your brother and sisters' keeper.....with the added reward that you or your friend will be gifted a pint of beer.

Note 1: The Bible story of Cain and Abel (Genesis 4:1-13), Cain was so angry and jealous of his brother Abel that he killed him. Afterward, when G-d asked "Where is Abel?" Cain said he didn't know. That's when Cain asked, "Am I my brother's keeper?" But he was really saying, "My brother is not my problem."

Note 2: Blood facts are at <https://givingblood.org/about-blood/blood-facts.aspx>

Click here to reserve a space March 27th to donate. For more information, contact [Jonathan Crooks](#) 770-841-8686, [Darrell Bartlett](#) 770-883-7757, or [Hal Schlenger](#) 770-335-0077.
