President Alex's Message

I am honored to be entrusted with the responsibility of serving as your President for Rotary Year 2020-2021. I do not take this responsibility lightly and I promise that I will do my best to lead our Club in a manner that makes you proud to have me and that the Club thrives.

Please join me in congratulating and thanking President Mike Caruth for his hard work and steadfast leadership. Our Club, our city, our world are better for his service.

Please join me in congratulating and thanking President John Carlsch for his hard work and steadfast leadership. Our Club, our city, The Board and I will endeavor to preserve the rich history and traditions that make Rowell Rotary Rock as well as forge a new generation of Rowell Rotarians and lead our mark on our Club and community. With the retirement of our past president, we are looking forward to working with you to ensure that the future of Rowell Rotary is bright and full of life. We will continue to strive to maximize our time together and allow for a better viewing and dining experience. Please be patient as we work to make your lunchtime a real family style experience as well as a warm environment that you are proud share with visitors and members.

Together anything and everything is possible, and I am confident that we will have fun "doing good" as our beloved Malone instructed.

I am honored to be entrusted with the responsibility of serving as your President for Rotary Year 2023-2024. I do not take this responsibility lightly and I promise that I will do my best to lead our Club in a manner that makes you proud to be a Roswell Rotarian. I know that I stand on the shoulders of many great Roswell Rotarians and Past Presidents, and I will endeavor to live up to the high standards that they have set and that this Club deserves.

Please join me in congratulating and thanking President John Carruth for his hard work and steadfast leadership. Our Club, our city, and the world are all better off thanks to President John and his Board's efforts.

The Board and I will endeavor to preserve the rich history and traditions that make Roswell Rotary Rock as well as forge a new generation of Roswell Rotarians and leave our mark on our Club and community. With the retirement of food services manager Juan Venegas, we have a new opportunity to reimagine our lunches and our meetings. I am excited to reveal our new caterer and lunch set up. Our goal is to maximize our time together and allow for a better viewing and dining experience. Please be patient as we work to make your lunchtime a real family-style experience as well as a warm environment that you are proud share with visiting Rotarians and guests. We also have a full list of exciting and interesting guest speakers, service opportunities, fundraisers, and partnerships with other Clubs, yes, even our friends in Alpharetta.

Together anything and everything is possible, and I am confident that we will have fun "doing good" as our beloved Malone instructed.

Onward and upward!

Alex Kaufman
