President Alex's Message

Fellow Rotarians-

As we near the Thanksgiving Holiday, I hope that we all take time to reflect on the many gifts that have been given to us. I know I have. This week has been nothing short of incredible from a Rotary standpoint. I am also reminded of one of the tenants that I was raised on and is a cornerstone of Judeo-Christian Values, *"To whom much is given, much is expected."* Now more than ever is a time for us to give thanks for the bounty that we have, our loved ones, and our Rotary family and strong Club. It is also the time to reflect while we have been blessed, others are facing great challenges and need our help. Now is the time and opportunity, particularly through our many Rotary initiatives, when we can do just that.

November is our Foundation Month, a time to give in order to make a lasting impact. November is also our Veterans Appreciation Month - The Club had an incredible experience this past Friday with two buses of veterans and Rotarians traveling to Ft. Moore as well as to support the 85 Army Rangers who demonstrated their skills and graduated and will now return to their active units, many of whom will deploy into harms way. Thank you to Roger Wise, Alicia Hughes, and Gene Beckham for making this trip a reality and building the foundation to grow this initiative into a permanent fixture of our Club's core values. The month of November is the month to give thanks to those who have served, and are currently serving to protect each of us, at all costs. To that end, I encourage you to give thanks by supporting our adopt a platoon initiative as well as volunteering at our Basket Ball Tournament - the proceeds of which directly support this Club's Rotary Initiatives.

Thanksgiving marks, what I believe, to be a Great Leap Forward in this Club's history, as the day after Thanksgiving, November 24th, we will open the Roswell Christkindlmarket with the traditional pomp and circumstance of the tapping of the Keg (thanks to Variant/Michael Curling) and the lighting of the tree. This family-friendly and adult-friendly Market will hopefully begin a tradition not only for our Club, but also for our City, as well as for families across our region. We have initiated this second major fundraiser, hopefully one day on par with our golf tournament in raising funds, to further support our club's initiatives as well as to cement our public-private partnership with the City of Roswell. As I presented when I took office in July, I believe that many hands make light work, that we can do good as well as have fun, and that our City and Club are unique. Through this Market, we will have an inclusive holiday experience, showcase and support one of our historic assets, and also support through teamwork, Friends of Bulloch. We will showcase a beautiful historic landmark, which to some has negative slavery-era connotations, into a new tradition that brings all people together for a time of peace, companionship, and celebration. We will have young families begin a tradition of meeting Santa, of having a beer with friends, old and new - of children in need having

a sense of the holiday season of their own.

The planting of the seed of this Christmas Market will hopefully grow into a large and permanent fixture of our community, expand our Club's financial impact, name recognition, and relationships with the many partners that we currently have, as well as make new opportunities for our future. I encourage everyone to come, tell their friends, promote the Market on social media, neighborhood list serves, and to attend in person, as well as to join your fellow Rotarians at our Christmas Party on December 8th, which also marks the first night of Hanukkah.

I am thankful to be a Roswell Rotarian and your President.

Veterans Message

Speaker: Tim Huff

"Home for the Holidays" is a theme we will be hearing a lot in the coming weeks as we approach Thanksgiving and Christmas. But for many in the service, they will not be home during this holiday season. How does it feel when you are deployed in a strange country away from your loved ones? And what things make a difference to our servicemen and women as they are making this sacrifice to preserve our freedom?

On Thursday, Tim Huff, President of Turknnett Leadership Group, will be speaking to our club about the things that mattered most to him during his deployment to Afghanistan. How it felt to be without family and the many things we take for granted during the holidays. He will talk about the things that lifted the spirits of his fellow soldiers and how we can make a difference to those who serve during the holidays and beyond. Hope to have a full house as we take time during this month of November when we most honor our veterans and think about ways we can let them know we care.

Roswell Rotary Club is proud to be a partner with Munich Event Group (MEG) to bring the ChristkindlMarket to Roswell. President Alex had a love of German Christmas markets from his travels and coincidentally, a business relationship with MEG. Together they discussed the idea of bringing the tradition to Roswell. Alex, when Chairman of the Star House Foundation, was instrumental in getting the Star House Roswell Beer Fest started in Roswell so he thought the Christmas Market would be a wonderful event to bring to the community, as well. As it happened, Friends of Bulloch, Inc. was just starting to plan a Christmas market on the grounds of Bulloch Hall. They approached Alex to consider having the ChristkindlMarket there. MEG visited the property, took drone videos, and fell in love with the setting.

The next chore was to get the City on board. Alex and MEG had concerns that the City would be able to permit and approve the Market in time for Christmas 2023, however the Mayor and Council were excited about the Market idea and expeditiously worked in tandem with all stakeholders, including Roswell's Recreation and Parks, to pull off the Christkindlmarket in time. Alex's vision was that the event could become a tradition and legacy for the Club and would continue to grow for years to come. The vision was for the Market to be a family-friendly event and fun for all ages and all people in and around the Roswell Community and beyond.

In addition to community-building and partnership with the City, the Market was to be a second major fundraiser for the Club as well as Friends of Bulloch. It was also designed to bring additional exposure to the Club, enhance the Club's standing in the community, and to attract new members. The Market provides opportunities for the other charities RRC supports to participate, like giving children from Star House and Drake House chance to come see Santa! It is also a way to enhance Rotary's relationship with Roswell Recreation and Parks Department, Roswell's Economic Development Departments, the Mayor and Council, as well as other economic stakeholders in the City, such as Roswell Inc.

The ChristkindlMarket also presents many volunteer opportunities for our Club members and others. For instance, in partnership with Friends of Bulloch, Inc. Rotary members who donate their time to work in the Bulloch Hall Gift Shoppe allow us to serve a higher volume of shoppers during extended open hours. The Roswell community of hotels, shops, and restaurants understand the positive economic impact this event will provide the City. Watch for results in Visit Roswell and Roswell Inc. It's a win-win for all involved. As a Roswell Rotarian, please join us to make the Market a Holiday success!

After Hours Meeting Recap

Roswell Rotary After Hours met last week to assemble goodie bags as part of a group of care packages being sent overseas for an active military troop. They also wrote letters of support, encouragement and love to hopefully brighten a soldier's day. It was a nice

to take a moment to reflect and recognize the sacrifices our military makes to keep us safe, especially in the spirit of Veterans Day.

Additionally, Cheryl Carter, Executive Director of HomeStretch (and Veteran!), sat down to share her organization's mission while we assembled goodie bags . HomeStretch provides supportive housing and programs that equip working families to regain and sustain permanent housing. The club looks forward to partnering with this worthy local organization.

The next RRAH After Hours meeting is Tuesday, Dec. 5th at The Artillery Room @ Gate City. There will be no meeting on Nov. 21.

It's that time!

Rotary Veterans Invitational Tournament

What Roswell Rotary volunteer opportunity provides the chance to honor our veterans, be involved with student athletes, make your star crock pot specialty, serve food to coaches, referees, and staff working the event, and spend one-on-one time with your fellow Rotarians? It is the ROTARY VETERANS' APPRECIATION BASKETBALL TOURNAMENT!

The tournament supports ALL our veteran programs, the Ft. Moore bus trip, Adopt-A-Platoon, and Memorial Day and is held at Roswell High School November 18th, 20th, & 21st. We will need volunteers to help man the ticket sales table at the gym and others to assist in the hospitality suite for lunches and dinners we will be providing on those days. A perfect opportunity for new members to assimilate to the Club and for the Satellite Club to help the Parent Club with an important project. The energy of the students and the happiness of our volunteers makes this an incredibly special volunteer moment. We hope you will say YES to being a part of this event that raises money to honor our veterans!

North Fulton Charity- Toyland Drive

Toy Collection Dec. 7th

Bring a smile to a child's face this holiday season by donating toys and gift cards. Toyland Shop provides toys and gifts to local children in need at the holidays. At NFCC's Toyland Shop, unwrapped, donated toys are arranged so parents can pick out their child's holiday gifts. Last year, the program served more than 1300 children in our community!

The Toyland Shop Toy Drive is collecting new, unwrapped toys for children from ages 0-18. Please do not forget to keep our teenage clients in your hearts this year. We often see less toys donated for this age group. The most popular items for teens continues to be gift cards. We are requesting gift cards in increments of \$35 from major retailers such as Target, Walmart and Amazon.

Please bring an unwrapped toy or gift card to Rotary on December 7th.
