Skipper Hoke Awards

Skipper Hoke Leadership Award

Honoring Student Athletes

It's Skipper Hoke Leadership Awards Week!

During our lunch we will be recognizing the 2023 football programs at Blessed Trinity, Fellowship Christian, and Roswell High School as well as a standout student athlete from each. These students exhibit high leadership ideals and embody the Rotary ideal of Service above Self. They are honored with their name being added to the impressive trophy which sits in their respective school lobby year round. They will also receive an individual trophy to keep. Listening to how these student athletes are involved in the community, in their school, and focused on their life goals is exciting.

Skipper was a long-time member of the Roswell Rotary Club having joined in 1981 and served as President in 1990. He loved his UGA Bulldogs, his childhood hometown of Newnan, and the Roswell community while being Vice President of the Roswell Bank for over 20 years. His wife, Nancy, can still be seen at a Roswell Rotary event occasionally. She is proud that this tradition continues strong for it started in 2017 after Skipper's unexpected death in 2016 at age 72. Thanks to Dave Young and Jim Broadway for honoring not only a great community member but also a great Rotarian by keeping this award relevant to our high school student's today.

After Hours Welcomes GT's Director of HS Relations

A promotional poster for an "After Hours" event. The background is a light olive green with a pattern of white and blue triangles. In the center is a portrait of Tim McFarlin, a middle-aged man with short brown hair, wearing a dark suit, white shirt, and yellow tie. To the right of the portrait, the text reads: "AFTER HOURS" in large blue letters, with a clock icon for the 'O'. Below that, "Next meeting:" in blue, followed by "Tues., Feb. 6 at 6:30" in white. Then "Team development with:" in blue, and "TIM MCFARLIN" in large white letters. At the bottom right, in a dark blue box, it says "The Artillery Room @ Gate City". There are also some decorative elements like a cluster of blue circles and arrows pointing upwards and to the right.

After Hours is thrilled to welcome Tim McFarlin as the guest speaker for their next meeting on Tuesday, February 6 at 6:30 at The Artillery Room @ Gate City. Tim, who also happens to be the father of RRAH member Will McFarlin, serves as Georgia Tech Football's director of high school relations. You may know him as the state championship-winning head football coach at Roswell High School who is considered one of the most successful football coaches in Georgia history. He will speak to the club on leadership, how to build a high-functioning team, and what really motivates people to perform their best. Everyone is welcome!
