Hear From the Student Writers Laws of Life Essays

What is a Law of Life?

A Law of Life is a short, pithy saying or quotation that points to a core personal value or ideal. Oftentimes, a Law of Life serves as a memorable and meaningful moral compass on a person's journey through life.

The Georgia Laws of Life Essay Contest asks students to select their own Law of Life, and to write about how it applies to their lives. In doing so, students reflect deeply and write from the heart about what they think matters most. The contest celebrates the students' stories and their often profound reflections, and proudly presents significant cash awards to students and teachers.

It's always a special treat to hear the Laws of Life from the contest winners. Vivian Banks will once again be leading the student finalists from the area schools as they read their essays. If you are worried about the future generations, this is a program that will give you hope!
