### Exciting Collaboration: KBeam Reading Project in Partnership with Alpharetta Rotary

We are thrilled to announce that Roswell Rotary will soon be learning more about the KBeam Reading Project, a special presidential project in collaboration with Alpharetta Rotary. This innovative initiative is focused on improving literacy and encouraging a lifelong love of reading among young students in our community.

The KBeam Reading Project will aim to provide resources, mentoring, and support to help children enhance their reading skills. This collaboration between two Rotary clubs demonstrates the power of teamwork in addressing important community needs, and we're excited to be part of such a meaningful effort.

David graduated from Southwest DeKalb High School and attended the University of Georgia, Georgia Tech and Georgia State, earning a bachelor's degree in Marketing from the J. Mack Robinson School of Business and an Executive Development Program Certificate from United Technologies, Corp. Sherri and David moved into a Roswell Home with an Alpharetta Address across from Rivermont Country Club before moving to their current Alpharetta home with a Milton address.
