President's Message

Two Weeks. Two Powerful Messages. One Clear Purpose.

Last week's speaker reminded us of the power in knowing our Rotary "Why." When we understand the deeper reason behind our service, the work takes on greater meaning. It's easy to get caught up in the busyness of meetings, projects, and fundraising — but when we pause and reconnect with why we do what we do, the meaning deepens and the work becomes more fulfilling. **Paul Harris** once said, *"Whatever Rotary may mean to us, to the world it will be known by the results it achieves."* Those results begin with a clear sense of purpose — the fuel that keeps us showing up, taking action, and making a difference.

That purpose is front and center as we prepare for our upcoming Golf, Tennis, and Pickleball Tournaments. This isn't just another date on the calendar — it's a chance to turn purpose into impact. Every single dollar we raise will go directly back into our community, where it's needed most, to create lasting good right here in our own backyard. That's Service Above Self lived out in real time. As I mentioned last week, I want to personally encourage you to PLEASE consider donating and getting involved with this worthy cause! The time is now to get involved and give your support. *"The most effective way to do it, is to do it"* -**Amelia Earhart**

Rotarians are not just people of action — we are people of influence. We strengthen our members, support our partners, and inspire our community. Two weeks in a row, we've been challenged by speakers to know our "Why" and to live it out boldly. Let's carry that momentum forward — in our projects, in our relationships, and in every opportunity we have to represent Rotary.

To that end, this week, we're honored to welcome Mike Lynch, former chaplain for the Atlanta Falcons, as our guest speaker. Mike will share how encouragement builds excellence — and why discouragement so often precedes destruction. His message is a powerful reminder that every day we have an opportunity to lift others by the way we live and lead. *"If your actions inspire others to dream more, learn more, do more, and become more, you are a leader."* - **John Quincy Adams**

As we reflect on these powerful messages, let us remember our shared purpose of

"Service above Self." It's what connects us, drives us, and moves us forward. When we serve with this Rotary motto in mind, we create change that extends far beyond ourselves and this club in Roswell. Together, let's continue to embody Service Above Self — not just as a motto, but as a way of life that transforms lives, strengthens communities, and shapes a better tomorrow. The impact we make today lays the foundation for generations to come.

In his talk, Mike explores the transformative power of encouragement not as a fleeting compliment, but as a legacy-building force. Drawing from examples he illustrates how affirmation and belief can unlock potential in others. Mike's message is impactful for those in leadership, coaching, or mentorship roles. He reminds us that excellence isn't built on performance alone, but nurtured through affirmation, belief, and purpose. Recognized as one of John Maxwell's Top 30 Transformational Leaders in America and Acworth's Business Person of the Year, Mike exemplifies the kind of servant leadership that uplifts others. New Member Spotlight - Walter Burnotes

New Member Spotlight

"Love being a Rotarian! Prior to my recent membership, I have participated in various Roswell activities since 2013 encouraged by my wonderful sponsor Sandy Buhler. Volunteering has been part of my DNA.

It started when I volunteered to become an Altar boy while in elementary school (3 thru 8). Once in high school, I became a member of our Glee Club after which I then moved on to the Univ. of Maryland's Mens Glee Club. But as my voice changed, I volunteered for 3 years as Equipment Manager on Maryland's Football team. Upon graduating from the University and entering the business world, I became a US Jaycee - where I actively participated in our local Baltimore suburb's community activities. As my sales career progressed, I soon participated in my industry's professional organization which contributed in my successful 35 year career at 3M. Since retirement, I have become a master in eBay selling my STAR WARS collection of toys as well as my collection of Sports cards.

Family consists of one daughter and two sons. (All now living in GA) They have contributed 8 Grandchildren and 2 Great-Grandchildren.

For many years, I enjoyed snow skiing & scuba diving; but my body now prefers cruising and following my favorite teams: the Ravens, the Orioles and Maryland Terrapins. I still enjoy & support the Braves, the Falcons, the GA Bulldogs and FSU Seminoles." -Walter Burnotes

We Need Sponsorships!

The Power of Corporate Sponsorship: Making a Local Impact Through Golf, Tennis, & Pickleball

As Rotarians, we know service above self is more than a motto — it's a call to action.

That's why the Roswell Rotary Golf, Tennis, & Pickleball Tournaments are more than just fun on the fairways and fierce matches on the courts. They're engines of change for our community.

Why Do Corporate Sponsorships Matter?

Every dollar raised through our annual tournaments goes directly to local charities that make a difference in the lives of children, veterans, seniors, and families in need. Corporate sponsorship helps fund programs that provide winter clothing for students, medical equipment for veterans, meals for homebound seniors, and educational support for at-risk youth — to name just a few.

What Do Sponsors Receive?

Each corporate sponsor gets recognition through signage, marketing, and social media. Yes, a corporate sponsor receives a foursome to enjoy a day of networking and camaraderie on the course, or a team on the tennis and pickleball courts. But the impact of each sponsorship is more than that. Sponsors gain something money can't buy: the intrinsic satisfaction of knowing their support is transforming lives right here in our own backyard.

It's More Than a Logo — It's a Legacy

By committing to sponsor, it's not just promoting a business or brand. It's about committing to Legacy of our Club and taking part in investing in the well-being of our community. That's a win-win we can all rally behind.

Join us. Be a corporate sponsor. Swing for a cause. Serve up some good. And help us continue the legacy of giving that defines Roswell Rotary. Join me and be a corporate sponsor for the 2025 Roswell Rotary Golf, Tennis & Pickleball Tournament.

To sponsor or learn more, visit the Tournament Website or contact James Stone james@stonelaw.com or Ryan Gehricke rgehricke@lanternrealestategroup.com

Youth Exchange: Roswell Rotary's Global Family Grows

Roswell Rotary is thrilled to welcome Mattéo Ngoy Kalumba, our newest Youth Exchange student from France who also has roots in the Congo! Mattéo arrived on August 9 to a warm and enthusiastic welcome from Gordon and Ashley Owens, Alisia Booth, and Deb Perkins. He barely had time to catch his breath before diving into Youth Exchange Orientation, where he connected with Rotarian Peter Saddler. Mattéo will attend Roswell High School as a junior, with Gordon and Ashley Owens serving as his host family to help ensure a smooth transition. Everyone will have the chance to meet Mattéo soon, and we're excited to learn more about his interests, including a budding enthusiasm for football.

Born and raised in Lorient, Brittany, France, Mattéo has three siblings, two of whom are in college or graduate school, and his favorite subjects are math and science. Mattéo is currently pursuing a dual high school diploma through a partnership between his school in Brittany and a high school in Florida, with aspirations to study medicine in the U.S. He enjoys basketball, football, and PlayStation, and hopes to join sports teams at RHS. We're delighted to have Mattéo in our Rotary family and look forward to supporting him throughout this exciting journey.

For almost 100 years, Rotary International has arranged high school student exchanges around the globe. Today, the Rotary Youth Exchange program is one of the largest and most respected high school exchange programs in the world. Each year, nearly 10,000 students participate in this life-changing experience. [\[read more\]](#)
