This Week's Speaker

Susan Paget, CEO, Rotary Action Group for Family Health and AIDS Prevention

Join us on Friday, October 3 at Maggiano's to welcome Susan Paget, CEO of the Rotary Action Group for Family Health and AIDS Prevention. Before Sue speaks, Marion Bunch will share a brief history of how Marion met Sue and the role she played in building the Rotary Family Health Days program to the success that it is today.

Sue Paget's first connection with Rotary was in 2000 when she was contracted by Rotary International to work in South Africa on the Polio Eradication Private Sector Campaign working with Rotary leadership, Government and corporations in South Africa. Sue was subsequently invited to join the Rotary Club of Johannesburg in 2002 as a volunteer and over the subsequent years worked on various campaigns in a project management capacity, including RI President Jonathan Majiyagbe's Presidential Conference. It was at this conference that Sue met Marion Bunch, Founder and CEO of the Rotary Action Group Rotarians for Family Health & AIDS Prevention, who was a guest speaker at this event. [\[more\]](#)

With World Polio Day approaching, the Atlanta Rotaract Club thought many Rotarians would be interested in hearing from our upcoming speaker. Rob DeCou is a Rotarian who is highly involved in ultra-endurance sports to raise awareness and build community around important issues. In 2017, he completed a 146-mile run across Death Valley to the top of Mt. Whitney which raised over \$700,000 for End Polio Now. Whiskey Raffle Update

**It's "In Between" Week ... Still Collecting Prizes,
Ready to Start Selling Tickets!**

September was the month of gathering the whiskey raffle prize pool. How did we do? **The Rotary Club of Dunwoody answered the call!** Our goal was 30 bottles... at the moment we have 24. But that 24 is already good enough to establish a prize pool and move forward with our marketing scheme. Thank you everyone who was generous and allowed us to put together this package! We think it will be highly appealing to the public.

We can still use a few extra bottles... so if anyone still wants to make cash donation, shop at Dunwoody Beverage off the registry list, or provide a whiskey of your choice - we will still gladly accept it!

With Phase 1 coming to an end - (albeit with just a few bottles to go) - we're now moving into Phase II: the ticket sales! Our website is the very aptly named www.whiskey-affle.com! The curious will be able to see the prizes and purchase tickets for the main event there. But a great URL will not be enough! Please talk up the event with friends, neighbors, and relations. Announce it on your social media! Get the word out!

There will be a total of at least 10 packages. With a maximum of 1,000 tickets, that

means buying five tickets is about a 5% chance of winning... superior odds to anything the state gaming commission is offering! Look out for more details around prizes, tastings, and block your calendar for the event itself on November 20!

The USO is Calling Your Name - October 30

Thursday October 30, 2025 will be **Rotary Club of Dunwoody USO Volunteer Day**. We will serve our service personnel and family members an "All American" lunch of hot dogs with all the condiments, potato chips, fresh fruit, snack bars, home baked cookies, bottled water AND a portion of baked Ziti & Mom's meatball.

Volunteers: We would like to have eight volunteers for the day from 9 AM to 3 PM. Duties vary from greeter, cookie packer, hot dog grill mate, server, bag monitor, and "all around volunteer" to handle anything else that needs to be done to serve our military service personnel. Let Charlie Augello know if you can join us.

Home baked cookies: Only the best for our military personnel. We ask the bakers to bake about 60 of their favorite hardy cookies. They can be delivered in bulk to the E.48th Street Market on 10/27, 28 and 29 before 6PM. We will repack them on the day of service. Please note hardy cookies are best since we recommend that volunteers take MARTA. Let Charlie know if you plan to bake.

Transportation: It is strongly recommended that volunteers take MARTA to the airport instead of driving due to the continued limited parking because of construction at the airport.

Other Ways You Can Help: Members who are unable to volunteer can participate by donating bottled water (small bottles) and snack bars such as Nature Valley available at Costco at reasonable prices. Items can be dropped off at the E.48th Street Market on 10/15 and 16 before 6PM. A shout out to our new members please consider volunteering at the USO, it is one of the most satisfying and rewarding day of service.

Special Shout Out to New Members: Please consider volunteering at the USO, it is one of the most satisfying and rewarding day of service.

Please contact Charlie Augello at Italian@e48stmarket.com if you would like to be a volunteer or be a cookie baker.
