He contributes to the network's studio programming and also contributes columns on SECSports.com. Tony brings a wealth of experience having covered the conference for more than 20 years. For the second year, Dunwoody Rotarians can help collect home medical equipment for FODAC, a 501©3 that collects, repairs, and provides over 7,000 HME items to the public each year at no cost. There are two ways you can help:

- Join Rotarians on Saturday, July 28 from 9 am - 1 pm to help collect donations. You have a double benefit - you're helping people AND getting to know Rotarians and Rotaract members from other clubs!
- Donate HME that you have at home. We've included a list below for your consideration. You can bring equipment on the 28th or call 770-491-9014 ext. 114 before July 24 to schedule a pick-up on July 28.

New GRSP Student **Mathilde Illum**

Introducing Mathilde Illum - Our 2018-19 GRSP Student

Mathilde Illum will arrive from Denmark on August 1 for a year as Dunwoody's student in the Georgia Rotary Student Program (GRSP). She will attend Oglethorpe University. Her host parents will be Jackie Cuthbert and Lorri Christopher.

Mathilde comes from a family of five - she is the middle child - with an older sister and a younger brother. Her mother is a Rotarian, and her aunt was a GRSP scholar in 1989-1990. Mathilde was scheduled to be a Rotary Youth Exchange student a few years ago but had to cancel due to an injury (which has since mended itself).

Mathilde is not sure what my final education path holds, but wants to work with something humanitarian or creative. Today she volunteers at the Red Cross second hand shop a few times a week and is a tutor for the freshman class. She will enter university in Denmark after her GRSP year, because the Danish educational system does not allow break-offs during university, even for a scholarship.

As to her goals for her GRSP year, Mathilde says, "I would love to achieve a deeper understanding of American culture and its people, and hopefully build lasting bonds with American families and international students. I would especially like to explore American community service and voluntary work, e. g. assisting in soup kitchens. I want to experience what the USA is really like, and see the real structure, rather than the one presented in pop culture and the news. My deep interest for history is also a major reason, as this could help me in learning more about American history than what I might have learnt growing up."

You'll learn more about Mathilde when she arrives at the beginning of August, and when she speaks to the club in September. We'll keep you posted as to when her flight arrives at Atlanta Hartsfield so you can be part of the welcome committee!

Remembering Former Dunwoody Rotarian Hagood Bellinger

This past week, former Dunwoody Hagood Bellinger died at the age of 77. Hagood joined RCD in the 1991-92 Rotary year when Lang Woody was our president. He was a multiple Paul Harris Fellow, sponsored Buzz Law as a new Rotarian, and served on the board for Junior Achievement. Hagood was a Vice President at BellSouth, and is remembered as an avid golfer and Georgia Tech supporter. His family and friends remember that he "took on life's challenges with a can-do spirit" and was a mentor to many.
