Ennis Antoine, Award Winning Realtor to address the club

On January the 21st, Ennis Antoine will use his 25 years of experience to illuminate the club with a unique perspective from his career in realty.

Ennis Antoine, a REALTOR® with Better Homes and Gardens Real Estate Metro Brokers, was installed as the 90th President of the Atlanta Board of REALTORS® (ABR) on December 10th at ABR's Annual Business Meeting and Awards Ceremony held at the Ritz Carlton of Buckhead.

Mr. Antoine began his real estate career in 2004 as an Associate Broker with Better Homes and Gardens Real Estate Metro Brokers. Instead of Over Complaining, try Over Helping

On January 7, the club welcomed Sidney Kirschner to the Podium. He opened his presentation with the following statement: "I was asked to speak a little about my retirement experience, but I had to leave work to be here today." He likes to stay busy even in retirement. He did however offer a few sage words about retirement. Most notably he suggested the best possible thing for anyone in retirement to do is to stay engaged. He urged us all to "get involved", "have socialization", and don't miss out on the "human touch". He noted that the human touch can be best found through face to face confrontation and interaction. He stressed the importance of showing interest and asking questions. He went on to say that joining and participating in a club is vital. He made mention of the short-hand language that we use with one another. The myriad of acronyms and odd language that we Rotarians use can take a while to learn and appreciate, but it does add volumes to our experience together as a group. It becomes a tie that binds. The human bonding experience is the foundation of Sidney's most valuable advice for enhancing one's life and enjoyment in retirement.
