

## President's Message

### Thanks For Your Support!

This club is awesome! We started Saturday with a **river clean up** crew that won the award for most trash collected at 330 lbs and the most unusual find, an industrial gas tank. Another team **spent the day at VEO** repairing and painting rusty stair cases. That team had to bath in mineral spirits before coming to **Gate City to support End Human Trafficking Now**. Pat and Dave put on an amazing event supporting the organizations on the front lines of ending modern day slavery. I am in awe of all that we do and can't thank you enough!

## This Week's Speaker

### Steve Stroud

Roswell Inc, under Stroud's leadership, has marketed an expanded Opportunity Zone, increasing the number of certified businesses, and launched programs to assist local businesses. ### **Honoring Our First Responders**

 Jeff McCoy is organizing another Patriot Flight, a project he did during his year as President of Roswell Rotary. Flight is tentatively scheduled for later this fall and will involve taking 30-40 of Roswell's first responders to New York City for a day meant to honor their service to our community. If you are interested in helping plan or sponsoring the next trip please reach out to Jeff at 678-852-4297.
