MARCH 24, 2020

President's Message

Good Spirits

I spent time last week checking in on some of our Rotarian owned or operated businesses. I was encouraged by the good spirits people were in. I am especially encouraged by how quickly our business community has adapted to the current situation and found ways to serve their client's needs despite restrictions. Our non-profit community is equally impressive in their ability to adapt. We will be ok!

How You Can Help

Many of you have reached out to me with offers to volunteer and to see how you can help serve others in this time of need. Here are a few ways that I am aware of to support the community:

- **DONATE** - our club has setup a fund to get money in the hands of the organizations on the front lines of this fight
- **Used Laptops Needed** - Every Women Works is looking for used laptops to continue training classes remotely. Contact Nancy Alterman.
- **SUPPORT THE ARTS** - Georgia Ensemble Theatre is looking for donations or gift card purchases to help get them through this tough time.
- **PAY DUES** - visit our club website, login and see if you have an outstanding balance (check in the header, next to the search box), click on the balance and then click the pay button to pay online. If you can't figure this out, call Alicia at (678) 283-7098

Self Quarantine Extended To April 6, 2020

Governor Updates Executive Orders

Today I will **issue an executive order** requiring the Department of Public Health to require certain individuals with an increased risk of complications from COVID-19 to isolate, quarantine, or shelter in place.

Immediate PP	Becky Stone
Treasurer	John Carruth
Treasurer	Gordon Owens
Secretary	Terry Taylor
Public Image	Karen Schwank

ROTARY CLUB OF ROSWELL

Thursdays, 12:15 pm
Roswell Area Park
Bill Johnson Community Activity

At minimum, this order for isolation, quarantine, or shelter in place covers those who live in a long-term care facility, have chronic lung disease, are undergoing cancer treatment, have a positive COVID-19 test, are suspected to have COVID-19 because of their symptoms and exposure, or have been exposed to someone who has COVID-19.

The Department of Public Health will promulgate rules and regulations to implement this order and define how these individuals can access essential services, travel, and receive visitors in end-of-life circumstances.

This order will close all bars and nightclubs, and it will ban all gatherings of ten or more people unless you can maintain at least six feet between people at all times. The Department of Public Health will be empowered to close any business, establishment, non-profit, or organization for noncompliance. These measures were developed using guidance from the Centers for Disease Control and Prevention and Georgia Department of Public Health. This order will go into effect at noon tomorrow and expire at noon on Monday, April 6, 2020.

Bob Hagan Reminds Us...

Rotarians Have Seen This Before

While Afghanistan has 2 confirmed cases and Pakistan has 21 confirmed cases since January 1 to March 3, 2020, these are the only two countries reporting cases of polio and Africa expects to be polio free in 2020. With the coronavirus now affecting our daily lives and how we conduct business, the polio epidemic of the past can offer guidance for getting through COVID-19.

Read How The Polio Epidemic Offers Guidance For Getting Through COVID-19

Vaccines give us a way to protect ourselves individually and create a safer world as well as giving us peace of mind that we sometimes take for granted. Polio showed the world that science can find a solution. A new polio vaccine is being developed which would have a substantially lower risk of seeding new outbreaks.

Rotary has been at the center of the fight to eradicate polio for more than three decades. Rotarians everywhere should be proud of the work we've accomplished and Rotary remains fully
