President's Message

Relationships, The Chief Speaks

Oh, what a night! Lucia's served a delicious dinner, there was a roar of laughter and many of us danced the night away. Thanks to all who made the installation party special.

I would personally like to thank Roswell Police Chief James Conroy who at the beginning of the evening hand delivered a letter to my attention.

Dear President Lindsay,

On behalf of the men and women of the Roswell Police Department, I would formally like to congratulate you on your appointment as the new president of the Roswell Rotary Club. The Roswell Police Department is very fortunate to have such a great working relationship with Rotarians here in Roswell and share many of the same beliefs. We understand the importance of your club and are grateful for all you do to make the community great.

We look forward to continuing our partnerships with the Rotary Club and striving to make Roswell better and better. Please know that my door is always open. I wish you all the best and know that you will lead the best Rotary Club to even bigger and better endeavors.

Sincerely,

James W. Conroy

Chief of Police, Roswell Police Department

Thank you, Chief Conroy. Roswell Rotarians value our relationship and are grateful to be served by such an outstanding police department. It is our pleasure to serve the community and our first responders.

This Week's Speaker

Unstoppable Leader: Using Inner Wisdom for Outrageous Success

Leadership can be stressful and demanding, especially now. The ability of great leaders to make courageous and effective decisions, regardless of the circumstances, comes from inner awareness of their own purpose and values. Stacey debunks the myths about how we actually make decisions, and breaks down blocks to accessing our inner guidance. The result is we are a force that is both unstoppable and irresistible!

Stacey Ruth is unstoppable. She is the founder of 2 multi-million dollar agencies, an entrepreneur, certified coach, minister, and award-winning author. She has been among the Top 50 Entrepreneurs Under 50 in Atlanta, and twice awarded Top 100 “It” Agencies by Experiential Marketer. As a novice entrepreneur, she made nearly every business decision mistake possible and managed to thrive. Her businesses have survived personal challenges, the fallout of 9/11 and deep recessions, teaching her how change is not a thing we manage, but a fire that transforms individuals and organizations. Her second book, Own Your Own Shift will be available in just a few weeks.
