Peter Stoddard, Author and Story Teller

On Monday, October 19, 2020, Peter Stoddard will be taking over the podium of the Rotary Club of Sandy Springs.

Peter Stoddard has been writing and speaking in public his entire career. Only recently did he begin to do it for a living.

He grew up in Sandy Springs GA and earned a BBA Marketing degree from the University of Georgia. A PR and events career starting in Atlanta with Lanier Business Products and Siemens took him to Chicago in 1984. In 2001 he transitioned to resort real estate on the Redneck Riviera in Seagrove Beach Florida.

Peter returned to his Georgia roots in 2016 and now lives in Cumming. In November 2018 Peter started looking into the legacy of his favorite columnist, Lewis Grizzard. He met famous people with amazing Grizzard stories to tell that the world had never heard. In late 2019 Peter began telling those stories to every Rotary Club and interested group who will listen.

Peter has written his first book entitled: *Lewis Grizzard: The Dawg That Did Not Hunt.*

Connie Durham's "Communication Transformation System" Explained

On Monday October 5, 2020, Connie Durham captivated the Rotary Club of Sandy Springs by sharing elements of her “Communication Transformation System”. One of the tools she uses to help others learn to communicate with confidence is the acronym, D.I.S.C.

The DISC system centers on four different personality traits which are Dominance (D), Influence (I), Steadiness (S), and Conscientiousness (C). Under each trait is a series of descriptive words designed to help

a person recognize strengths and weaknesses within a group or team of people. Knowing how to use the DISC system can help determine a course of action when dealing with problems as with a leadership team. It helps by taking the various aspects of each type into account when solving problems or assigning jobs.
