## Facing Challenges; Adapting to Change; Delivering Hope

By Kirk Driskell  
As we welcome in 2021 with a renewed sense of hope, encouragement and goals it is without question they will intersect with the challenges of COVID-19. I can honestly say that I was praying we would be in further along in restoring our "normal" lives. This pandemic is serious as it affects the health and lives of many with little known about it. Uncertainty is uncomfortable and is inconvenient as we have to adapt our plans. Uncertainty is a part of life and how we react to it will direct our paths. Our intentions do not determine our destination; our actions do. [more]

GRSP Update  
**Celebrate  
75 Years of  
GRSP This  
August in  
Thomasville**

By Scott Rich  
A tremendous project is underway in downtown Thomasville, Georgia to celebrate the 75th Anniversary of the Georgia Rotary Student Program. To be located at the main entrance to a strikingly new downtown hotel, Rotary Districts 6900, 6910 and 6920 have the opportunity to name the main hotel entrance plaza and fountain in honor of the 75th GRSP anniversary year, 2021. You can join in the celebration and see the fountain when the **Rotary Club of Thomasville** hosts the 75th Anniversary GRSP Conclave in August 2021. The event is scheduled for August 20-21 ... mark your calendar now and watch for details. [more]

## For Club's 100th Birthday, the Gift is Trees ... to the City

By Carol Jones

It's not every year that an organization celebrates its centennial anniversary. May 2021 will mark the **Rotary Club of Thomasville's** 100th birthday - and the club intends to celebrate all year long. Rotary Past President Jeff Zoller (pictured with President John Brown) summed up the core spirit of the club and its membership when he said, "Over the past 100 years, the Club and its members have made significant and diverse service contributions to the city, with innumerable members involved in service projects to youth and the community. Members have served in diverse leadership roles within the business, education, medical, and government spheres, including members who have served in city, county, and state governments."

## Serving During the Pandemic **Columbus Shares Lunches with Hospital Workers**

By Julie Bond  
Even though the **Rotary Club of Columbus** isn't meeting in person, the great work of Rotary continues. Having both in person and virtual meetings for a few months, the Board decided that because with case counts and hospital occupancy rates are still much higher in January than where they were in December, the club would suspend the in person meetings. It was also decided to give the meals that we would have had at the Trade Center (where we would normally meet) to those in the Health Care community and frontline workers in our community battle against COVID-19. This step would also benefit the trade Center by providing work for their food services team, a win-win! [more]

**Graduate Student Focuses on Assisting Seniors; Preventing Suicides**

By Ron Swofford  
In January, members of the **Rotary Club of Lake Spivey/Clayton County** were treated to a special presentation from Mary Chase Mize, a PhD candidate at Georgia State University (GSU). What made the program special? First, her description of a new way Rotarians can serve their communities. And second, her background - Ms. Mize received her undergraduate degree from Mississippi State University in 2013, with scholarship assistance provided by her hometown Rotary Club, the Rotary Club of Somerville Tennessee.

## **Open Letter to District 6900 Rotarians from GRSP Class of 1996-97**

By Angela Smith

Carolina Mateus was Carl and Judy Tott's GRSP student in 1996 when Carl was Americus Rotary President. Carolina married their son Glenn a number of years later. In Carolina's text to Carl following a group chat with her GRSP class, she stated "After the situation in DC on Wednesday [January 6, 2021], the GRSP class of 1996-97 decided to write a letter to GRSP headquarters mentioning our love and deep belief in US democracy and thanking the program for shaping us to be ambassadors of peace as we moved into our adult lives. After sending the letter, many other GRSP classes joined in signing it and we have since received warm responses from Rotarians." Carolina shared the information and following letter with Carl.

A Closing Thought From Our District Chaplain

### **It Starts with Thinking for Ourselves ...**

By Gregory Adams

Shackles on our minds and bars around our hearts will imprison our souls. That's why it is so important not to allow any one person to control the way we think.

I remember when I was a child, my parents would often time tell me, Greg think for yourself. It's funny now, but I understand why they were telling me to do that. And I'm sure a ... [more]
