President's Message

Rotary 116th Birthday!

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas and form meaningful, lifelong friendships.

Over time, Rotary's reach and vision gradually extended to humanitarian service. For 116 years we have addressed the challenges in our community and around the world.

"Whatever Rotary may mean to us, to the world it will be known by the results it achieves."

Paul Harris

ROTARY CLUB OF

Virtual Healthcare

Dr. Jeremy Boyd is a primary care physician in Roswell. He has served with the Welllstar Medical Group for the last 3 years. He earned his undergraduate degree from the University of North Georgia, and his medical degree at St. Matthews University School of Medicine.

After finishing medical school, he completed his Family Medicine Residency at Bronx-Lebanon Hospital Center in Bronx, NY and followed this up with a year in Obstetrics at Lincoln Medical and Mental Health Center also in the South Bronx.

Since Dr. Boyd's return to Georgia, he has been back on the front lines of our country's rapidly evolving healthcare delivery system since 2017. He spent this last year as Medical Director in the development of Wellstar's first ever Virtual Anticoagulation Center of Excellence.

Dr. Boyd is visiting us to describe the digital-health revolution's ongoing transformation of our healthcare delivery system and how new technology is closing the gap for some of our most vulnerable individuals here in the U.S. He sees this opportunity of the future as a vision of virtual health one day expanding its reach around the world and into areas that need it most.

When Roswell bleeds, Roswell leads. Blood donors needed for Tue

Human blood is needed in and around Roswell everyday -- including today. We don't need a tragedy like an ice storm, tornado or hurricane. It could be a family member, a friend, or you, that "life happens" and there you are, needing blood.

This week is our turn. This is Roswell Rotary's turn for "Sleeves up." And if it can't be you, because many of us can't give, then you can help by getting a friend, family member or fellow employee to donate during the "Pint for a Pint" blood drive for the American Red Cross. The life you save is not likely to be yours;
