MICHAEL ROBERTS, COL (R)

W2C Co-Founder and Executive Director

Col. Michael Roberts (Ret) is the Executive Director and Co-Founder of Warrior2 Citizen with over thirty years experience serving as a trusted advisor for military intelligence, homeland security, and intelligence agencies. Michael served in theatre over a fifteen-year time span. As an intelligence analyst, leader, educator, and strategic advisor to senior government officials, he is accomplished at developing visionary and pragmatic effective solutions. He brought dedicated leadership and expertise to national security organizations, military and homeland security program, process and product development for military, intel, public health, and safety communities. He has a keen understanding of their challenges/requirements, policy development considerations, risk management systems, program improvement strategies, and governance issues. His endeavours in the not-for-profit world include establishing programs for the homeless and other leadership to community-based caregiving programs, including foundation development. He has been on the faculty and management staff of the Georgia Tech, GTRI, University of Georgia, USF, and other universities. Michael attended Stevens Institute for Technology and St. Peter's College (MS, BS), has done National Security and Strategic Studies post graduate work at the Army War College, and has been credentialed as a Certified Emergency Manager (CEM®) and Certified Management Consultant. He has spoken at national and

international-level conferences and symposia addressing the threats of terrorism, describing strategic initiatives for the medical aspects of incident management and intelligence gathering methods. He has two grown children and two grandchildren and resides in Georgia.
