You're invited to join in the one year anniversary celebration for Clubhouse Atlanta, an inviting place for adults with Mental Illness that gives them Respect, Dignity and Courage to reach their potential as valued and contributing members of their community. Our own Freddy Morello is the Clubhouse's Executive Director and will be sharing its story with us at the end of October.

In the meantime, consider stopping by this outdoor event and whether you'd be interested in supporting the fundraising efforts linked to this first anniversary. The organization is growing and serving more people every day, and its Campaign for Growth is targeting \$75,000 in new donations. You can learn more about Clubhouse Atlanta and make a contribution at <https://www.clubhouseatlanta.org/>. And don't miss Freddy's presentation on October 29.
