President's Message

We had a full house of Interact students this last week giving us a glimpse into the future of our community! The first Interact club was authorized at Melbourne High School, Florida, in 1962. The name “Interact” came from combining the words “international” and “action”. Our club has demonstrated that we are a club of action by expanding our Interact involvement to students of all grade levels. Today Roswell has ten Interact clubs in our schools with 200 active students learning how to give back to the community. The future is bright!

As we approach the holiday season there will be plenty of opportunities to give back to the community and have some fun doing so with your fellow Rotarians. Mark your calendars for the Holiday Party on December 3rd. Chris Archer is planning a great evening with some added twists to our night.

Don't miss this week's speaker Todd Callen. He will discuss a creative and fun way to look at the business environment in this crazy world we live in!
