President's Message

"The List"

For those who were at last week's meeting, we were treated to a great presentation by Past President Maurice Hilliard where he tapped into our thoughts of influential individuals from all areas of leadership and asked the question, who's list are you on for being an influence in their lives? As Rotarians, it's our job to leave this place on "The LIST" of many.

During the course of the year we have heard many guest speakers talk about the growing need to address the problems associated with mental health disorders. This topic has hit home with many past and present Rotarians. This week we hosted our first Behavioral Health Advisory Council meeting with Dr. Breshears and his WellStar staff to provide constructive feedback on what is needed in the Roswell community leading to a successful awareness and education campaign for our school aged children. This group included numerous Rotarians, social workers from schools, leadership from our NGO's, behavioral health specialist and

THE LUNCHES FOR LEARNING TEAM

June of 2019 was the first time the entire Lunches for Learning entire team had been together in Honduras in quite a while. It seemed an appropriate time for a team photo. Very special team!

Have you ever heard of the expression "two good people are better than one?" It's the idea that a second person's advice can be very useful. That's exactly what we need from you. On Thursday, February 10th at Houck's Bar and Grill, please join us to discuss ideas for reaching new members. Specifically, we want to you to share ideas with us as to how we can spread the word on our three new membership classifications.

As you recall this past Fall, we added a "Young Professional Membership," "Corporate Membership," and a "Non-profit Membership. Our challenge has been sharing these new classifications with prospective members. Thus, we need your creativity and ideas!

Need your help

CLEANUP DAY

Roswell Rotary is mobilizing!!! We need your help at 9 am on Saturday, February 12th and February 19th at Bulloch Hall. Let's help the City clean up the white rail fencing.

The ask:

Feb. 12: We need pressure washers, hoses, and light carpentry work (to replace any fence boards not worth saving). We also need folks and tools to help prune back vegetation off of the fence.

Feb. 19: We will be back to paint the fencing on February 19 and need volunteers to help us spruce up the fence.

It's a great way to repay City of Roswell for all they do for us!

Let's help repay the City of Roswell in some small way for the use of the Gym and kitchen facilities that we enjoy each week.

To Sign up:

Volunteers please contact Matt Millard at **678.414.6564** and he will send you the required City of Roswell waiver and get you set up! Thank you!
