President's Message

Service Above Self

This past weekend a group of service oriented Rotarians got out the heavy equipment at Bulloch Hall for some fence mending and power washing. Thanks for everyone who came out to help with this effort. We will be looking for more volunteers this weekend to grab a brush and roller to paint the fences around the main entrance of this great historical site. Come out if you're able and participate in a Service above Self project on Saturday. Many hands make light work, all for the beautification of this great city!

This week you are not going to want to miss our meeting where we will be treated to a great speaker Versonya DuPont of the John Maxwell Group who will deliver an inspirational message on personal development. Come and have some fried chicken and get inspired!!!

You Have to Know Yourself to Grow Yourself!

See you Thursday!

You Have to Know Yourself to Grow Yourself!

Such a powerful topic this week from a member of the John Maxwell team!. Join us at Rotary on Thursday.

Three Takeaways

- Growth starts with appreciating our distinctiveness and value
- We all are different, but have predictable behaviors under stress
- Understanding our blind spots can enhance our personal growth

About our speaker

Versonya Marie DuPont is the only daughter born to Donald and the late Versie DuPont. She came of age in Savannah, GA. Raised by a village of community servants, including her parents, godparents, aunts and uncles, Versonya learned at an early age that “service is the rent we pay to live on God’s green earth.” She has over 20 years of experience casting vision and driving execution as an Executive for both start-up and million-dollar businesses. Her measure of success has always included awareness of the impact of the work she does on the lives of others, beyond performance goals and profit margins.

Versonya’s mother used to tell her: ***"Don't strive to do as well as I do, strive to be better!"*** Versonya is still striving!!!! Her life is dedicated to empowering others and giving voice to those

Bulloch Hall Clean-Up Part 2

Sat. Feb. 19 10am Bulloch Hall Cleanup Part 2

Painting, grounds cleanup, fence repair

HEADCOUNT NEEDED ASAP TO MATT MILLARD

Rotarians! We need a head count!!! THIS S**aturday February 19th at 10am** we need help painting the fencing at Bulloch Hall while meanwhile our fearless leader President Terry is taking a chilly dip in the lake! We had a hardy group of pressure washers who got the fencing “paint ready” this past Saturday, and now it’s everyone else’s turn to lend a hand and put a fresh coat of paint on! We have a few hundred feet of fencing to paint white.

We can knock it out in two hours if we get enough volunteers!

Bring yourself, your kids, or even prospective new members– attire is painting casual! We need to have an

idea of numbers so we can have waivers on hand from the City. Rotary will provide rollers and brushes, and likely coffee and Doughnuts! City is providing the paint. We project that we can finish in a couple hours, but we're depending on some serious turnout. Please RSVP to **Matt Millard at 678.414.6564 with your name and total number of volunteers** – see you there!
