President's Message

Leadership

This past week Roswell Rotary honored some of our high school football athletes for their leadership skills as well as honor our past president Skipper Hoke. And after a year where UGA won its first national championship in 40 years it's only appropriate that we expanded this leadership award to three of our local feeder football programs into Georgia. According to Skipper's wife "Skipper would be proud" of this day and very proud of these three young men receiving this award with his name on it.

There are many traits of a great leader. One of those traits is an individual who understands that to be a winner you need to put your team ahead of yourself. So its only fitting that the Skipper Hoke Leadership Award was presented by Roswell Rotary whose motto is "Service Above Self" to three young men who exemplify our motto for the good of their team.

Roswell Rotary Blood Drive at Gate City

Huge Success for the American Red Cross

It was a tremendous turnout on "Twosday" 2/22/22 as we were fortunate to collect **51** pints of blood for the American Red Cross. In addition to the collection of blood, that'll save so many lives, we now have 12 Roswell Rotary Team Members signed up on our Mobile App who will now be true ambassadors for the cause. Last, but certainly not least thanks go out to all our volunteers and of course to our hosts Pat Rains and Michael Curling for their current and past help savings lives in our community...Gate City Brewery
