Celebrating All We Do!

By Mary Ligon

We are 22 days away from our next opportunity to connect in person! This Rotary year has continued to be one of adapting to the uncertainty of what's next with the pandemic. What has not changed, what is certain is our vision that together, we see a world where people unite and take action to create lasting change - across the globe, in our communities, and in ourselves. While I love that technology has allowed us to stay connected and be flexible to meet differing needs, I truly look forward to our Jolly Holiday - celebrating our progress, exchanging ideas, having fun and fellowship with you in person! Conference co-chairs PDG Court and PAG Stephanie have created a "practically perfect" event of learning, sharing, recognition and fun. Read all about the Conference below and be sure to register!

As we get ready to meet in Sandestin, there's work to do and a lot to celebrate. Take a look!

Ukraine Relief

An Update from Shelter Box

By Jackie Cuthbert

.Editor's Note: This article reports on what Shelter Box is doing to help residents and refugees of Ukraine. Keep in mind that you can also support Ukrainian relief by contributing to the District Fund for that purpose, or to he Rotary Foundation's Disaster Relief Fund with contributions earmarked for Ukraine.

Shelter Box reports that its aid has arrived in Lviv in western Ukraine and distributions begin this week. The number of people who've had to leave their homes is close to 10 million – that's almost a quarter of Ukraine's population. Over four million children are among those displaced (more than half of the country's estimated 7.5 million child population). Shelter Box is working on three projects – two within Ukraine and one supporting those fleeing the country. Want to help? You may send contributions to Shelter Box online - visit Ukraine Crisis Appeal - ShelterBox USA [more]

Planning for the Future; Welcoming New Members

By Jaclyn Donovan
Recently we distributed Membership Goal Setting sheets compiled specifically for each club based on five-year historical membership numbers. The Zone and Regional team put a bit of effort into this as a way to help you visualize where you've come from, understand where you are, and plan for where you want to go. We also included some action plan ideas for what to do if your attrition is too high or if your attraction is too low.
And, we'd like you to join us in welcoming 25 new members added to the District database in the last month!

2021-2022 District Grant Close Out and 2022-2023 District Grant Application Deadlines

By Gillian Leggett

Happy Spring to all D6900 Rotarians

First, a huge THANK YOU to all clubs that have closed out their 2021-2022 District Grants. The deadline to close grants for 2021-2022 is March 31, 2022. Your club must close by the deadline to be eligible to apply for a 2022-2023 District Grant. Another THANK YOU goes out to all Rotarians involved in the grant process. It has been a trying year, once again. This past Rotary year, COVID-19 was still a major factor in how we conducted our lives and the in-person grant training at District Training Assembly had to be cancelled. Despite all that, our bumps in the road were relatively few.

As District Grants Chair, I appreciate your dedication to the grant process to make a difference in your club and your community. It is my hope that we continue to improve the grant process for easier use and changes will be coming soon. Read on to learn more. [more]

March 21 (3/21) is World Down Syndrome Day (Down persons have a third instance of chromosome #21. Clever, eh?). Notably, it's ALSO the day that Rotary Club of Alpharetta and Rotary Club Pelotas Oeste celebrate approval of a $70,000 Rotary International Global Grant to fund special education and training for Down persons, their families and support groups in Rio Grande do Sul, Brazil. God's timing is excellent! Thanks to D6900 club partners Peachtree City, Roswell, Stone Mountain, Dunwoody, Atlanta Brazil AND D7780 clubs Bath and Yarmouth! Thanks further to the 5 additional Pelotas Rotary clubs involved - 15 clubs and 3 districts in all!
