President's Message

Investing in the future.

It was a pleasure showcasing the accomplishments achieved by our Roswell Interact clubs and honoring Stacy Perlman as she moves into a new chapter of her life in retirement. She has been a great inspiration for so many of our children in our schools. Thank you Michael Schoppenhorst for organizing the students and Stacy for your leadership. We look forward to seeing you in service at our club in retirement.

We also heard about some outstanding young high school students who truly have service above self in their hearts. Eight years ago Roswell Rotary honored Roswell High School student Davante Hill with a similar award which had a lasting impression on this Roswell High Student. Davante still remembers that day, and today he is part of the leadership team for our new Satellite club. Planting seeds for the future of this club!

Panashe

Excited to have Panashe Sivindani, our GSRP student from Zimbabwe, at Rotary this week. She will be filling us in on all of the exciting things she has been a part of while being with the Roswell Rotary Club-including a special service project for girls called Grace Period to help eradicate period poverty in Zimbabwe.

Come join us Thursday and find out what Panache has been seeing, learning and doing! We know she rides a mean scooter! And is eager to thank you all in person for her fabulous year!!
