President's Message

Behavioral Health in Our Schools

With the recent tragedy in Uvalde, Texas, where 19 innocent children lost their lives to a mentally ill young man, the timing of our effort to make an impact on behavioral health becomes even more important. Our club has made a significant and generous donation to the WellStar Health System's behavioral health services where this seed money will be used to develop a series of podcasts and videos aimed at students and parents to help identify, address, and tackle mental health problems and, hopefully, save lives.

Roswell Rotarians will be taking these tools out into the community to schools, churches, non-profit partners, and others. With this partnership, the Roswell Rotary Club will be the naming sponsor of the new emergency department family waiting room at WellStar North Fulton Hospital. We are grateful for the opportunity to partner with the WellStar organization to do our part to help those in need within our community.

Walk with a Doctor on Sat Jun 4 at 8:30am

This is a celebration and periodic check-in for how you are doing with your doctor's advice to do something physical. We're not judging; we're supportive. If you want to look like President Terry and the many other svelte Rotarians, this is what the doctor ordered. :-)

Our walk will be to the historic grounds of Roswell's Bulloch & Mimosa Hall. We'll start and end at Land of a Thousand Hills, 352 S Atlanta St, Roswell, GA 3007 --- free gourmet coffee for all walkers!

Thanks to the Friends of Mimosa Hall for the arrangement of the 2 and 3 mile walk options.

Our health talk will be "Skin protection or Overkill" by health and wellness coach Nancy Lovejoy.

Note: Our July walk will be Sat, Jul 16 at 8:30am to visit the Chatahoochee Nature Center's Butterfly Encounter and walk the trail at the nature center.
