This Week Program!

Bob serves on Keep Thomas County Beautiful Board member. He has done several projects here in Thomas County with one being at the Resource center. He is a man enjoys helping others and love educating and creating happinesses. He believes that it does not take much to make a impact in the community he believes, "Whatever it is, whether it's something little. A day like today reminds you that it is important and it doesn't take much, but it does collectively have a big impact," said Bob Dyksterhouse from a community project that he was apart of.

What you missed Last Week!

We had a great program learning all about the Track & Field Program at Thomas University and their new coach. They are looking really good this year and it is some really exciting times. We highlighted some of our members doing last week program and thanked them for their service and all the do for our club and community. "Success is no accident. It is hard work, perseverance, learning, studying, sacrifice, and MOST of all, love of what you are
