What You missed Last Week!

We had a week of fellowship and fun! Thank you, Mary Beth for hosting Whine and Wine, we had about 25 Rotarians show up and even the rain could not stop the fun. How many of you are now inspired about our Big Impact Project after hearing and seeing the endless possibilities for what is happening in our community. Speical Thanks to, Bob Dyksterhouse for sharing his love for building and planting. He is a master at building raised garden beds and this is in alignment with our Big Impact Project. "Collaboration allows us to know more than we are capable of knowing by ourselves" Paul Solarz

This week Program!

Are you ready for some Friday Night Football lights? What would South Georgia be without High School football? We have some of the greatest players and programs right here in Thomasville. We have coaches that believe in the players and are creating champions each and every day. This week we will hear from the Coaches as they are preparing for the best season of their career.
