Keith T. Parker - CEO of Goodwill of North Georgia

Monday, October 3rd, The Rotary Club of Sandy Springs had the pleasure of hearing Mr. Keith T. Parker, President & CEO of Goodwill of North Georgia, speak about the many great services Goodwill provides for our community and their accomplishments thus far.

Goodwill's mission is to put people to work. For more than 90 years, Goodwill has been dedicated to leading people on a path to self-sufficiency regardless of age, race, religion, sexual orientation, criminal background or education. 85% of the funds they use to help put people to work come from the retail sales in their store fronts. These stores are driven by the donations that the community provides. In addition to generating revenue to help a good cause, donations also have a positive environmental impact. In 2021 alone, they were able to divert almost **44 million pounds** of material from landfills.

In Parker's five-year tenure with Goodwill of North Georgia he has

- Moved 36,278 Georgia families out of poverty and into living wage jobs.

Doing Good in the Neighborhood

RCSS and Solidarity Sandy Springs

The Rotary Club of Sandy Springs is proud to announce that we raised over 300 food items to be donated to Solidarity Sandy Springs.

Solidarity Sandy Springs started their pantry with the idea that they would help food-insecure school families during the COVID shutdowns. That small act grew into a community movement to help families that were being overlooked and in need. It is our great honor to help the families feel uplifted, supported, and food secure.
