From Our District Governor

Imagine Opportunities for Fellowship, Learning, Fun and Making a Difference!

By George Granade

We just finished an amazing weekend at PETS - President Elect Training - where DGE André, district leaders and next year's club presidents joined with their fellow leaders from Georgia's other two Rotary districts to brainstorm about how to take us successfully into the next Rotary year that will start in July. It was great to be there, and reminds us all that we are closer to the homestretch for this Rotary year. We have a lot to celebrate and a lot to accomplish - and I look to all of you to us make the rest of the year as good or better than what we have already enjoyed! For starters, have you registered for **District Conference** to be held at the Sandestin Beach and Golf Resort from April 27-30? Your Green Acres team leaders - Cheryl, Kelly, LouAnn and I - are planning some fun times. Join us for a pig roast on Thursday night (don't worry we did not roast Arnold, he will be at the conference), a cornhole contest and a tug-a-war battle. Be sure your club has assembled a team for each of these events. We will have educational Rotary classes available as well as awards to be given out. We have two speakers who I believe will motivate and inspire you. And did I mention, you'll have some time to enjoy the beach! You can **register at the District website** - be sure to do that before March 21 when the registration fee goes up to \$325.

Read on for more information about district awards, the upcoming district training assembly and a reminder about district grants. [more]

Our Rotary Foundation **8 Years and 8 Paul Harris Fellows for the Rotary Community Corps of Peachtree City!**

By Mandy Timmons
**Peachtree
City (PTC) Rotary** Past
President Joel Norris
had an inspiration to do
more and saw a special
need for expanding
opportunities for
individuals who might
otherwise not get a
chance to participate in
activities that would
allow them to excel and
gain self-esteem. Under
Joel's leadership, the
Rotary Community
Corps (RCC) of
Peachtree City held its
first meeting in
February 2015. Just like
Rotary, the RCC
changes officers each
year, so there are eight
past presidents. To
celebrate these past
presidents, the Rotary
Club of Peachtree City
and several members
made generous
donations to have each
of the past presidents
become Paul Harris
Fellows through the
Rotary Foundation.

GRSP GRSP Students Pack Meals, Create Service Project Plans at Leadership Weekend

By Jackie Cuthbert
The Rotary Club of Dunwoody recently hosted the 20th GRSP Leadership weekend. The students packed more than 10,000 meals for Rise Against Hunger on Friday - and even helped with all the set-up this year - normally a Rotarian task! In Saturday workshops, they learned about courageous leadership and were challenged to think now about what they'd like their legacy to be and take action. And on Sunday, they awed us with service project plans in the Shark Tank workshop led by the Rotaract Club of Atlanta. We awarded a \$1,000 grant for a project to encourage more recycling in Zimbabwe - created by a team from all over the world. Thanks to Rotarians from the **Rotary Clubs of Atlanta Metro, Gainesville, Gwinnett, Buckhead and Roswell**, and to the Rotaract Club of Atlanta for their support of this GRSP weekend. We hope the tradition continues for a long time to come.
