A Message From Our President

December...the last month of the calendar year. What does it mean to you? To me, it means a time for reflection on all the great things the Rotary Club of Thomasville has done thus far and a time to look forward to all the great things our club will continue to do in 2024. Our monthly Fresh for You Market has been a huge blessing to the Thomasville community and will continue to be with the great support we've received from local businesses and non-profits alike. Continued projects where we support our Local Heroes and Have a Heart for Seniors. From the smallest project to our largest project, every little engagement with our community leaves a mark on this community. I thank you all for your continued support and we celebrate our successes together as we move into a new year.

Most recently our projects have impacted the elderly in India and orphans in Serbia.Each year Rotary Club of Thomasville requests funds through the District Grant process to fund local projects which primarily focus on the education of young children in Thomasville with the ultimate goal of improving the local high school graduation rate. The club also supports literacy in Thomasville through the Southwest Georgia Literacy Grant when available.

WINE OR WHINE during the holiday season

Rotary Club of Thomasville turned The Business Exchange of Thomasville into a festive “Wine or Whine" social event yesterday evening. The theme was "ugly holiday attire" and showcased an amazing display of fun and quirky holiday outfits. The refreshments were a delightful mix of creativity and the holiday spirit filled the room while we mingled, laughed, and talked about Rotary. If you missed out, no worries, we plan to host another Wine or Whine again starting back in February…theme to be announced in the coming weeks. To check out some of the fun photos, click **HERE.**

ORANGE YOU GLAD YOU ATTENDED IN OCTOBER?

available, please reach out to Rotarian Warren Ballard ASAP!

ROTARY HAS HEART FOR SENIORS PLANNING IN ACTION

As a club, we pledged to touch our seniors once a quarter. This quarter, we will be mailing holiday cards created by kids (thanks to Rotarian Susie Shin and the Hands & Hearts for Horses volunteers.) Our seniors love to receive letters in the mail. Rotarian Angela Williamson will bring these to the next Rotary meeting for our club's assistance. You are welcome to add your own special message to the card.

We are also getting ready for our Valentine Party by gathering information from our seniors about what they might like as a Valentine gift. We are going back to our original idea of asking the community for their help. Much like the Christmas Angel trees, we will create Rotary Has Heart for Seniors trees with heart ornaments

that have the name of a local senior and a gift idea for Valentine's Day. A community member purchases the item, wraps the item, and we collect all the gifts before giving a wonderful Valentine Day party at the Scott Senior Center. Trees will be displayed with heart ornaments starting the first week of January. We encourage you to choose your own senior to make smile on Valentine's Day. We will also need volunteers on Valentine's Day as we host the party.

We need Rotarian volunteers to help execute our 2024 plans successfully (as outlined below):

First Quarter - Mail invitation to Valentine Party

Second Quarter - Mail a thank you for joining us & possibly a photo to each senior

Third Quarter - Host monthly birthday party

Fourth Quarter - Mail holiday cards

Please reach out to Rotarian Angela Williamson if you are interested in joining the Rotary Has Heart For Seniors committee!
