Skipper Hoke Scholarship Presentations

While I am off in Finland chasing the Northern Lights, Past President Becky Stone will be stepping in to lead the February 6 meeting, where we will honor students from Roswell High School, Fellowship Christian, and Blessed Trinity as part of the Skipper Hoke Athletic Leadership Awards. It's always an inspiring session to see the incredible talent and dedication of our local students. Please be sure to attend and show your support for these bright young scholars! *See story below in newsletter for more information on this award.*

Polar Plunge last Sat.

It was a beautiful day for the Polar Plunge in Alpharetta. The power of collaboration between Rotary Clubs was strong and Roswell Rotary was well represented. Our own District Governor **Gordon Owens** was the Belly Flop Champ, **Kaho** our Rotary Youth Exchange Student took the leap, we had jumpers from **Roswell High School Interact Club**, and Plungers and spectators from our club! *See pictures at the end of this newsletter.*

Greetings from Finland and see you soon!

Program this Week- Skipper Hoke Awards

For over 30 years Roswell Rotary has honored a player on the Roswell High School football team who exemplified leadership throughout his football career. This award is voted on by his peers - his fellow football players. Originally called the Outstanding Leadership Award, for years we invited the entire football team, coaches, and cheerleaders to join us for lunch to honor the recipient of the award.

We expanded our awards to honor leaders from our two other high schools on Woodstock Road in 2022 - Fellowship Christian and Blessed Trinity Catholic High Schools. This year we welcomed the award winners, their families, and coaches to our lunch meeting to receive these honors. Longtime member **Skipper Hoke** was a banker, community leader, and a huge booster of all things Roswell High School and its sports teams. For years he helped lead our Roswell Rotary Relays, often working the scoring table throughout the day. After his death in 2016, we renamed this award after him to honor the impact and dedication Skipper gave to

Rotary Foundation Miracle

El Mandamiento multiplys from small donation of $5,000

How did a $5,000 donation from the Rotary Club of Roswell, Georgia, became the seed of something extraordinary.

"El Mandamiento" y el Hospital favorecidos por el Rotary Club

• *Dos representantes del Rotary de la ciudad norteamericana de Roswell, en el estado de Giorgia, donaron junto a la Fundación Rotary Internacional, 20.000 dólares, que fueron destinados a "El Mandamiento" y al hospital municipal.*

En la noche del jueves, los integrantes del Rotary Club de Pilar encabezados por su presidente Mario Burcheri, recibieron una visita por demás importante. Dos miembros del Rotary estadounidense de Roswell, del estado de Giorgia, Lee Hollingsworth y Hutch Hodgson, se hicieron presentes para entregar una colaboración de nada menos que veinte mil dólares, provenientes de la entidad que representaban y la Fundación Rotary Internacional, juntamente con el Rotary

Rotary Foundation: Multiplying Impact, Building Peace, Changing Lives

In 2004, a modest $5,000 donation to the Rotary Foundation from the Rotary Club of Roswell, Georgia, became the seed of something extraordinary. Through the Foundation's matching program, it grew into $20,000—funds that helped launch a transformative project in Pilar, Argentina. This grant supported two critical initiatives: "El Mandamiento," a soy-based food processing kitchen feeding thousands in community kitchens, and essential equipment for the municipal hospital. The ripple effects of this single grant have been profound and far-reaching.

The Power of Rotary Foundation Dollars

The impact was immediate. Over the past 21 years, "El Mandamiento" has continued to feed countless people, while the hospital's surgical table has saved countless lives. But the story doesn't end there. This project awakened the local Rotary Club of Pilar to a new reality—that Rotarians from across the globe cared enough to make a significant investment in their community. It transformed their club from a social organization into a dynamic force for good, inspiring new leadership and a reinvigorated mission.

The story illustrates how Rotary grants do more than fund projects—they build bridges, create friendships, and inspire peace. The collaboration required to execute these grants fosters empathy, trust, and global fellowship. Rotarians in Roswell and Pilar didn't just work together; they became lifelong partners, and dear friends, in service.

A Legacy of Impact

Since that first grant, the partnership between Roswell and Pilar has blossomed into numerous follow-on projects:

• Vision for a Brighter Future: Thousands of children received vision screenings and surgeries, enabling them to succeed in school and life.

• Investing in Education: School restrooms were remodeled, hygiene programs were implemented, and teachers from Roswell and Pilar exchanged ideas and cultures, enriching students on both sides of the partnership.

• Mutual Giving: Pilar Rotarians were so inspired by the generosity they received that they funded a $10,000 project for Roswell's Drake House, demonstrating how generosity creates a cycle of goodwill.

And to think—all of this began with just $5,000.

Why the Rotary Foundation?

When you donate to the Rotary Foundation, every dollar goes farther. Our unique model amplifies contributions through matching programs, often turning one dollar into three. Unlike other organizations, Rotary allows donors to see their impact firsthand. You can visit, work on, or even initiate projects that transform lives.

In a time when donors often worry about where their money goes, the Rotary Foundation stands apart. Zero dollars are spent on overhead from your contributions. Instead, your donations multiply, fueling peace, goodwill, and life-changing projects worldwide.

Many of us have had a good few years economically—let's seize the opportunity to make those years matter for others.

Many have been inspired to donate $10,000 or more now (appreciated stock accepted) or pledge to donate $25,000 or more in one's estate – and leave a NAMED endowment that will continue their lives of service..
