Message from President Trummie Lee

Dear Rotarians,

This week, I invite you to reflect on the idea of heroes — not just those in history books or Hollywood scripts, but the everyday heroes who walk among us.

Heroes don't always wear uniforms or capes. Sometimes they wear Rotary pins. They show up early to volunteer, mentor students, raise their hands when others sit back, and give generously of their time, talents, and treasure. They stand for service above self — and in doing so, they inspire the rest of us.

We've seen this heroism in our own club:

- In members who coordinate service projects that touch lives.
- In those who lead with compassion and quiet strength.
- In those who honor the legacy of past leaders while building for a better future.

Let's also remember and honor our community's heroes — first responders, teachers, nurses, public servants, and volunteers — many of whom we will recognize later this year through our **"Honoring Our Heroes"** initiative. Their work deserves not just our applause, but our partnership.

I challenge each of you this week to be someone's hero. It might be as simple as listening, encouraging, or stepping up when no one else will.

Because when we live with purpose, serve with heart, and act with courage — we all have the power to be heroes.

Sic Vos Non Vobis,

Trummie Lee Patrick III

Leadership in Action: Rotary Welcomes Georgia's Attorney General Chris Carr

Rotary is honored to welcome Chris Carr, who has served as Georgia's Attorney General since 2016. His tenure reflects a steady commitment to protecting the state's citizens through initiatives such as the Human Trafficking Prosecution Unit, rescuing over 200 children, and the statewide Gang Prosecution Unit securing more than 100 convictions across the state. Carr has helped shape policies that aim to address organized crime, opioid addiction, and retail theft, tackling some of our most challenging problems. His Statewide Opioid Task Force has been cited as a national model securing more than one billion dollars for our state and local governments to expand access to critical treatment, prevention, and recovery services. In 2024, he established the Organized Retail Crime Unit to investigate and prosecute large-scale theft rings. His work often draws collaboration from public, private, and nonprofit sectors across Georgia.

Carr also brings a background in economic development, having served as the Commissioner of Economic Development under Governor Nathan Deal. His efforts attracted significant business investment and job creation statewide. Georgia was recognized as the top state in the nation in which to do business for

Chris's early career concentrated on law and policy, including time spent advising Senator Johnny Isakson on legislation and Federal and Supreme Court nominations. Chris is a graduate of the University of Georgia's Terry College of Business and Lumpkin School of Law. This week's program offers an opportunity to hear about the experiences of someone who's worked across different levels of leadership in Georgia. We look forward to an engaging and thoughtful discussion. For more information from his official site, **click here**.

CAREER HIGHLIGHTS

Jarrad is a member of the Shepherd's Men, a group dedicated to raising funds for the Shepherd Center SHARE Military Initiative. The program treats service members, veterans, and first responders with traumatic brain injury (TBI). Since 2014, over 125 million people have seen the team, and it has raised over $15 million. In 2018, Jarrad and Scott Johnson founded The Warrior Alliance, creating a platform that serves over 12,000 veterans across the southern United States. His efforts culminated in the opening of a 5,000-square-foot veteran support facility at the Battery Atlanta, which the Atlanta Braves donated. Jarrad has also worked on two research studies for the Department of Defense (DoD).

PROFESSIONAL & ORGANIZATIONAL AFFILIATIONS

Jarrad serves on the Board of Directors at the Shepherd Center, ranked among the nation's top rehabilitation hospitals, and was appointed by Secretary of Veterans Affairs Dennis McDonough to the Veterans Affairs Advisory Committee on Disability Compensation (ACDC) in 2023. In 2024, he was recognized as one of the Mighty 25 by We Are The Mighty. We Are the Mighty is an annual award given to the top military influencers throughout America. Jarad was also featured in the 2024 Under Armor and Project Rock campaigns. More than six million viewers saw his story.

HOBBIES & FUN STUFF

Jarrad believes in giving back and living life to the fullest. He has coached boys' lacrosse at the middle and high school levels. Over the last decade, Jarrad has completed two Tough Mudder races, four Spartan Races, six half-marathons, three marathons, ten century cycling races, and three half-Ironman races.

EDUCATION

His academic achievements complement Jarrad's professional journey. Jarrad graduated from Alabama State University in 1998 with a Bachelor of Science in Business Management. He completed the Executive Leadership Program for Nonprofit Organizations (ELPNO) at the University of Georgia (UGA) in 2018 and the Arthur M. Blank Executive Entrepreneurial Leadership Program at Babson College in 2023.

2025-26 Board Member Spotlight

Michael Agurkis-Treasurer

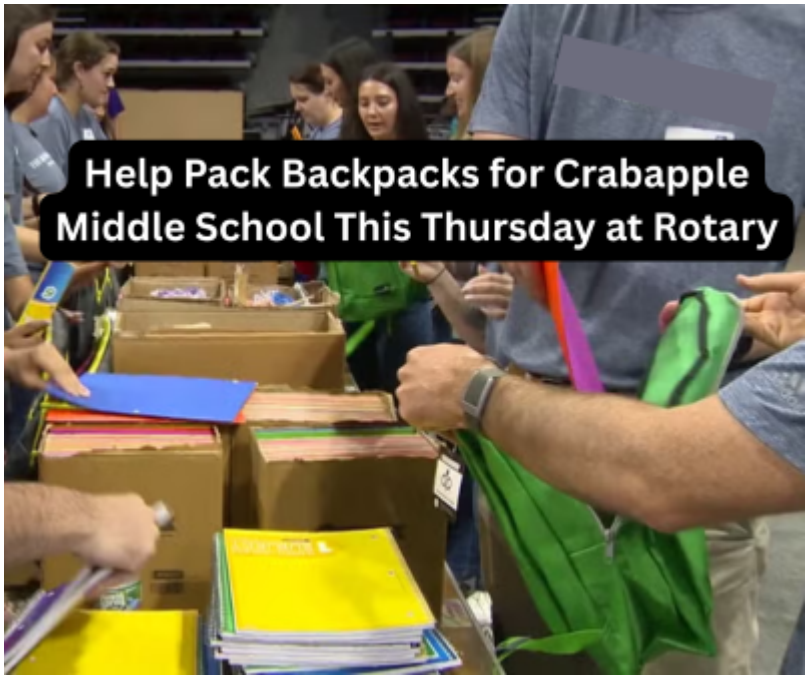

Returning to the Rotary Board for round two of service during his 10-year Rotary journey, Michael is a proud Atlanta native and UGA grad. His two decades at Commonwealth Financial Planners have been spent helping families plan their financial futures, right here on Canton Street.

When he’s not zipping around in a golf cart at the Rotary Golf Tournament, you’ll find him in his woodshop, relaxing at the lake, or enjoying time with his wife, Sarah, two daughters and their loyal Labrador.

Fun fact: While at UGA, Michael traded Athens for Brisbane, Australia for six months, learning to drive a stick shift left-handed, mastering awesome Aussie slang, while pretending vegemite tastes good.

1st Project of New Rotary Year

Packing Backpacks at Rotary Meeting Thursday July

1st Service Project for the new RRC Year:

The HHH Backpack Stuffing is this WEEK! Please plan on staying for about 30 minutes after the meeting to help stuff the 40 backpacks for the middle school students at Crabapple Middle School in need. Starting the school year with all the required supplies is a great confidence boost for each student…

Thank you, Roswell Rotary Members & Guests, for your support by buying the supplies, stuffing the supplies and leaving a love note inside too. Middle School is one of the hardest stages of life (as we all can attest). Huskies Helping Huskies is a 501(c)3 dedicated to helping those in need affiliated with Crabapple Middle School… yes, this does mean students, but we have also helped staff and families to introduce resources, professionals, and services. Anything that we see can provide better attendance and attention for the middle school student(s).

Roswell Rotary Club members Rabbi Alex Shuval-Weiner & Priya Crumpton have been working with HHH Directors Kristi Glickman & Tamika Bond to set this fast-paced, high impact service project. See you there!

Fundraising Beyond Rotary

Tournament Fundraising:
Reaching Beyond Rotary

Past Tournament Chair-
Joe Mazzeo

In 2024, Joe Mazzeo led the Roswell Rotary Golf & Tennis Tournament. Joe was especially successful with bringing the greater community outside of Rotary into his fundraising efforts. "We all have our own network, our peeps-you know, the work, social, family, and friends. And these are all potential members, sponsors, players for our tournament. And if somebody doesn't live nearby or can't physically attend, I just want to give them the opportunity to be included."

He continued, "My goal is to make it simple for my circle to participate with me in the Tournament. We are raising money for grants

to so many local charities who desperately depend on our contributions. Working with this tournament has enhanced my life profoundly and I want my friends and associates to have a chance to share in the experience with me." Below are Joe's Best Practices for including non-Rotarians in your fundraising asks:

Make It Simple

There are three ways to participate-

- Play Tennis, Pickleball, or Golf on Sept.8
- Volunteer on Sept. 8
- Sponsorship or Individual Donation

Make It Easy

- **Birdease Link** Just Click
- Joe sends one email with the details and the ask

Make It Meaningful (Because it is!)

- Goal $300K. Imagine how much good our charities can do with those funds.
- Local charities- Improving our community
- One contribution benefits 27+ charities
- Touching so many lives-youth, seniors, single parents, victims of human trafficking, etc.
- Being part of something larger than yourself
- Tell your own story

Here are some of the resources Joe uses. Use them, make them your own, share them. Give the people you care about the opportunity to feel the joy and pride and belonging that you feel as you work with the Tournament. It's a chance to spread that great feeling of Service Above Self!

What's Your Number?

Growing Roswell Rotary

"What Gets Measured, Gets Done"

-Peter Drucker

In President Trummie Lee's remarks last week to the club and again in his president's message this week, he asked our club to focus

on inviting friends and neighbors and co-workers to come join us at Roswell Rotary and share in the joy and service generated by this club. The more engaged members we have, the more projects we can take on and the more we can serve our community. And he has placed a stretch goal in front of us of 50 new members.

How can we each make sure that we are part of reaching this goal? Let's make a new member pledge. Remember the pledge cards you signed in church? Let's each make a pledge to bring in a new member this year. Some may want to pledge more. But if we all make this our goal and stay accountable, we will naturally be bringing more guests with us and mentioning Roswell Rotary more in our personal interactions.

Membership Chair Courtney Lott will be speaking to the Club on Thursday about this new membership pledge initiative. Let Courtney know your number! **courtney.lott@kw.com** We will have pledge cards and an electronic method to register your pledge next week, but if you know it now tell Courtney! You can use index card on your table and hand your number to Courtney today!
