This Week's Program: NO MEETING

There will be no meeting of the Atlanta West End Rotary Club on Friday, July 3, 2026, in observance of Independence Day.

We encourage members to use the time to rest, celebrate with family and friends, and reflect on the meaning of the holiday. Enjoy the time together and take a moment to appreciate the values and freedoms we observe on this day.

Atlanta West End Rotary sends warm wishes for a safe and meaningful Independence Day and looks forward to seeing members at upcoming meetings.

Maternal and Child Health Month — July

Rotary's goal during Maternal and Child Health Month is to promote access to quality health care for mothers and children before, during, and after childbirth. The focus is not only on services today but on creating sustainable improvements that communities can maintain over time.

- Maternal and child health is viewed as foundational to stronger communities.
- Healthy mothers are more likely to have healthy children.
- Healthier children are more likely to attend school, grow into productive adults, and contribute to stable communities.

Atlanta West End recognizes July as Maternal and Child Health Month and honors Rotary's emphasis on sustainable, community-centered approaches to improving health for mothers and children.

first Is it the TRUTH?

second Is it FAIR to all concerned?

third Will it build GOOD WILL and BETTER FRIENDSHIPS?

fourth Will it be BENEFICIAL to all concerned?
