

This Week's Speaker

Francesca, Our 2019-2020 Rotary Youth Exchange Student

My name is Francesca Brunetti. I was born in Fabriano, a small town near Ancona, my actual city, on December 6, 2002.

My city is in the middle of Italy and close to the ocean and it's the main one in my region: Le Marche. My home is in a very small town near Ancona called Agugliano. It has just 4000 inhabitants but our gelato is the best one in Italy!

There I attend a scientific high school and I really like it because my favourite subjects are Math and Physics.

In my family we are five: my mom Catia and my dad Luca, my older sister Chiara and my little sister Beatrice. Last year Chiara went on exchange in Canada through Rotary. She was the one who introduced me in this program. Last year we hosted two girls: Francis, from Canada, and Josie, from Taiwan. It is also because of them if I'm here now as they showed me all the beauty of this program. [more]
