

NORTH ATLANTA ROTARY

Club Service Day
July 30, 2016

Thank you North Atlanta, Brookhaven, and South Dekalb Rotary Clubs, FODAC and The 57th Fighter Group Restaurant for coming together for this day of service in our community!

Thank you for your Service!

Many hands make lite work! Thank you!

Seven (7) Rotary Clubs, one Rotaract Club and FODAC were represented and provided a total of 46 people who participated in this day of service!

Many thanks to the North Atlanta Rotaract Club, and the Rotary Clubs of Brookhaven, South DeKalb, Tucker, Sylhet Sunshine (of Bangladesh), Stone Mountain, Duluth and of course, North Atlanta. We gathered an estimated \$160,000 worth of home medical equipment to be refurbished and recycled by FODAC and put back into use for those in need. Congratulations to all for a job well done!

Special thanks to our co-sponsoring partner coordinators, Bonnie Hardage and Patrick Lewis of the Brookhaven Club, and Ceasar Gaiters of the South DeKalb Club. This is our first collaborative service event of the year; we made a great team! We plan to participate in many more successful endeavors together!

We are also grateful to the 57th Fighter Group Restaurant for their support in allowing us to gather on the Patio for breakfast, fellowship and instructions, and for offering their parking lot as our drop-off point for collections. Thank you for these gifts!

Mahalo nui loa to all involved.

Be proud of your Service above Self, and of Rotary Serving Humanity!

Being a Rotarian
