## Family of Rotary: very sad news

Tad Provence, our friend and fellow Rotarian passed away on Thursday, October 6<sup>th</sup>.

Over the last few years Tad had fought a valiant battle with cancer. He was a long time Rotarian, local entrepreneur, and mentor to many. Formerly from New Albany, MS., Tad was an alumni of Ole Miss and a long time rebel fan and owner of the Rebel car. Tad will be greatly missed.

Please send a card or note, or make a phone call to share your condolences with the family of Tad Provence.

## Early Reading Program at Woodward Elementary

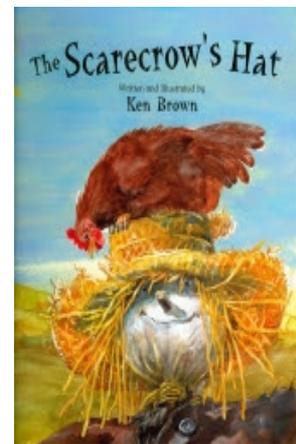

On Tuesday, October 25th we have the opportunity to again join Brookhaven, South DeKalb, Dunwoody, and Decatur Rotary Clubs as volunteer classroom readers participating in the Early Reading Program for Pre-K and Kindergarten children at Woodward Elementary School. We will be part of the effort to provide Language Nutrition, Access, and a Positive Learning Climate for these children, many of whom are from families where English is their second language. We, along with our sister clubs, are participating along with the Ferst Foundation to provide each child with a new book every month. We will read the book in the 13 classrooms and then each child will take the book home and read it with their parent(s). Each family will also receive a parent reading guide provided in English and Spanish.

Through this program we will help create a rich language environment where children learn through reading. We will promote family involvement to achieve early school success for children; we will encourage parents and caregivers to read each day with their children.

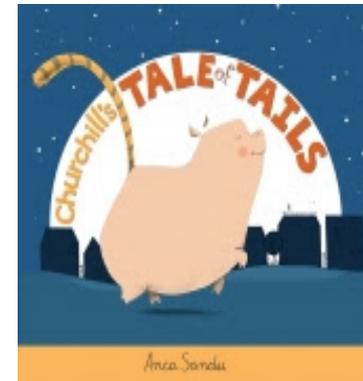

Within this program we will participate in distribution of 792 books to 66 Pre-K students, distribution of 2,184 book to 182 Kindergarten students, and translation of 24 parent reading guides into Spanish.

TODAY, please speak with or email our Club's Volunteer Coordinator Pat Thomas, [patrick7981@att.net](mailto:patrick7981@att.net) (678.641.9345) to be a volunteer classroom reader. We NEED YOU!

First book for Pre-K students- 3 classrooms read in September

First book for Kindergarten students – 10 classrooms read in September

## Leadership Exchange Program

Rotary is filled with leaders, young and old, and what better way to leverage our time in Rotary for personal and professional growth than **to bring our members together in a mentoring-style leadership exchange**? As a way to help provide more value to our members while "connecting generations," the district's first-ever **Leadership Exchange Program** has been created.

Highlights of the program include:

**Signup period runs from now until Saturday, October 15th.**

Mentors and Mentees will be paired based on their business interests and experience. Pairings will be announced by Friday, October 21st.

A kickoff luncheon will take place Saturday, October 29th (location TBD).

The program is intended to be approximately 80% business-focused and 20% Rotary-focused. Each mentor/mentee pair will have the flexibility to choose how often they meet and whether they do so in person or by digital means, but the general expectation is that each pair will interact at least once every two weeks.

The program will run from October through April.

Have questions? Want to sign up? Please reach out to program chair Candice Eubanks at [candiceeubanks10@gmail.com](mailto:candiceeubanks10@gmail.com).
