Korean War Veteran and Vinings Cumberland Rotarian

Highlights from the Rotary Club of Roswell's Rotary Honor Air trip

The **Roswell Rotary Honor Air** is intended to honor as many of the America's veterans as possible by providing them a completely free day trip to visit their Memorials.

Many of the men and women who fought and sacrificed for our country have not had the opportunity nor the financial ability to visit their own Memorials. Our World War II heroes are passing away at the rate of more than 600 per day so time is of the essence for these great men and women! The story is much the same for our Korean War veterans. We want to give our Vietnam War veterans the "Welcome Home" they never received, honoring their service, sacrifice, and commitment to our country.
