### MEETING NOTES: September 14, 2016

Daniela Ochoa Garro, GRSP student 2016-2017  
Introduction to Columbia and her GRSP Year

" My family is filled with strong persons, a united family. I admire the love my parents share and their dedication to raising my brother and me. Also, like the usual Latin-American family it consists of more than just my parents, my brother and I, and includes my aunts, uncles, cousins and grandparents. As a whole, they have taught me that kindness and perseverance are two key things in life..."

[Join us for a heart-felt welcome to Daniela from Brookhaven Rotary!](#)

## END POLIO DAY IS OCT 24!

1. **The human cost:** If we choose to control polio rather than eradicate it, polio could rebound to 10 million cases in the next 40 years.
2. **It's achievable:** We have the tools to end polio and the means to reach all children. The new, bivalent vaccine successfully targets the two remaining strains of polio in one dose.
3. **It's a good investment:** An independent study published in the medical journal

Vaccine estimates the \$9 billion global investment in a polio-free world will net an economic benefit of \$40 to 50 billion over the next 20 years.

4. **It strengthens the system:** Our polio eradication efforts have established an active disease surveillance network in all countries that is being used for other health interventions such as measles vaccinations, deworming tablets, and mosquito bed nets.
5. **It sets the stage:** The ability to reach all children with the polio vaccine is proof of concept that we can succeed on our next major global health initiative.

## **EMPLOYERS NEEDED FOR CAREER CONNECTIONS JOB FAIR**

Throughout our city and state, there are hundreds of young people with no place to call home. On any given night, there are nearly 1,800 unaccompanied homeless youth in Georgia and more than 700 in the City of Atlanta. Once on the street, they are extremely vulnerable to further trauma and exploitation that can lead to

a downward cycle of despair.

Covenant House Georgia is one of the few organizations in the state that provides homeless youth between the ages of 18 and 21 with shelter and the skills needed for a more hopeful future.

**October 27 from 8:30 - 11:30 a.m.**
