## **Rotary Family Health Days (RFHD)**

Rotary Family Health Days is the signature program of Rotarians For Family Health & AIDS Prevention (RFHA). The program promotes healthy living and disease prevention by implementing a massive, annual campaign in four countries in Africa that provides comprehensive, free health care services tens of thousands of people in underprivileged communities.

The services include lifelong immunizations to children, such as polio and measles vaccines and comprehensive life-saving annual screens such as HIV, TB, Malaria, Diabetes, and Hypertension.

This program is Rotary-led but leverages the power of partnerships that include The Coca-Cola Africa Foundation, the U.S. Mission – including the Centers for Disease Control, USAID and the health service delivery expertise of their Implementing Partners -- plus each of the in-country Ministers of Health (Department of Health) who provide services and supplies at the sites. Equally importantly in each country are the primary media partners that include the SABC and Caxton in South Africa, plus other media centers in each of the other countries.

## **Welcome Daniela Ochoa Garro**

Daniel is our GRSP student from Medellin, Columbia. Her father is a member of the Medellin Rotary Club. Daniela is currently in her third year at Universidad

de Los Andes. Once she completes her degree she will work toward her Master degree in Industrial Engineering or Finance. Daniela will attend Oglethorpe University while in Georgia.

**Be sure to introduce yourself to Daniela!**

**Dist. Gov. Raymond T Ray, Jr. came to visit and we had a party!**

DG Raymond and his Red Converse AllStars... Getting ready for the 2017 RI Convention
