Bob Hagen and Cheryl Greenway*

July 14
2016

**This Week's Meeting:
2017 Rotary International Convention and the
District 6900 2017 District Conference Cruise.**

President's Message

Please join us Thursday July 14th to honor our good friend & long time Rotarian Henry Hicks for his service in the US Navy from 1962-1965!! Thank you Henry for your dedication to our country; our community & to our Roswell Rotary Club!!

PE Lisa Carlisle will provide us with all of the fun facts & details surrounding our 2017 District Conference Cruise to the Bahamas. Members from AAA will be present to help you register and answer additional

questions.

As you all know, Atlanta is the host city to the Rotary world in 2017 and PDG Bill Woulfin & our very own Jeannette Prince are going to bring us up to speed on all of the details involved with this great opportunity!!

Thank you all for your generosity to help our Rotary colleagues in West Virginia!! We're proud to announce Roswell Rotary will be sending them a check for \$1000!!

The Patriot Flight is off to an amazing start!!! Thank you all for your support of this fantastic service project!! Both our Roswell Fire Chief Ricky Burnette & Roswell Police Chief Rusty Grant are very grateful & appreciative of our support!!

Let's make it a great year!!

President Jeff

Last Week's Meeting

President Jeff started his year off like a polished veteran as he bade a fond farewell to Past President Jim and some of the board members that have completed their service. Then, with the help of the past club presidents, and with the help of Past District Governor Bob Hagan, ushered in his new leadership and presented his vision for the coming year.

New Member Spotlight

Chris Good

Semi-Retired – Medical Device Consultant

I have been married 30 years to my wife, Mary Frances Good. I have one

daughter, Mary Elizabeth, 19, who just finished her freshman year at TCU and plans to transfer to University of Georgia this year. We lived in Alpharetta for 18 years and moved to Roswell last July.

My business background involves 30+ years in the medical industry, primarily introducing innovative medical devices that are used for infusion therapy. Early in my career, I worked for Abbott Laboratories and Kendall Company in sales and marketing. As an entrepreneur, in 1997, I started two companies - Innovative Medical Systems (a specialty medical distributor) and Outpatient Infusion Systems – (a specialty oncology Durable Medical Equipment supplier). I later sold both companies in 2011. My strengths include Business Development, Sales Management, Positive Culture Development, and having a sense of fairness in my personal and business dealings. I have served on the Board of Directors of three companies during my business career.

I serve as a volunteer at North Fulton Community Charities and work in the food pantry. I also worked on their annual golf tournament committee to help raise additional funds.

I enjoy golf, water sports, and travelling in my spare time.

Club Highlights

Tournament Update

We hope everyone had a great week. This week we will meet at 11:45 in our normal meeting room. If you are in a fundraising capacity (Sponsorship, Auction, Ball Babes, Raffle, Tennis Chairs, Signage, etc.) please make an extra effort to make these meetings throughout July.

If you are assigned to tournament operations (Food and Beverage, VIP Liaisons, Tournament Closing, Volunteer ops, Registration) your attendance in the next four meetings is not necessary, but always welcomed. You will take priority come mid to late August.

We announced in our committee meeting a new Gold Sponsor for golf- General Motors!

We've had some significant wins with soliciting sponsorships outside of the club. However, we are behind in our internal club sponsorships. Our commitment forms are distributed to the club via the Rotary directory which is usually the first week in July. The directories are going to be 3-4 weeks late this year, so to counter the impact it can have on internal sponsors, we could use some help distributing the forms this week prior to

the meeting. Let me know if you are able to spend some time passing out commitment forms prior to the meeting.

Thank you all for your willingness to help. This is bound to be our very best year!

Best,
Theo

Habitat Project seeking Volunteers

There is an opportunity for Rotary members to volunteer to paint and complete yard cleanup for a disabled senior in Roswell. The date we have available is July 16th. Would you be interested in bringing a group of 10 or so to volunteer? And potentially provide breakfast for the site that day? Thanks again for partnering with us to provide decent housing for those in need!

Patriot Flight

Special thanks to Senator John Albers who not only came up with the idea for the Patriot Flight, he negotiated & landed our deal with Delta. John was not only the first sponsor of this project, he is our first Chief sponsor at the \$10,000 level! Meeting John at the Chief Sponsor level are Brian Martin and Bethany Flowers of Righteous Guitars. Thank you John & Kari & Brian and Bethany! In addition, we want to sincerely thank our very generous Captain sponsors at \$5,000 - Bill & Patsy Wolff, Matt Thomas & the good folks at Carpet Depot, and our President Jeff McCoy and TechniPower. Past President Harvey Smith & his wife Donna contributed big at the Lieutenant (\$2500) level Thank you all! This will be an amazing trip for our local heroes.
