President's Message

Join us Thursday to honor & recognize retired Fire Chief Ricky Spencer for his 39 years of public safety & first responder service. Ricky started his fire service career in Roswell in 1975...throughout his career he also worked at the Atlanta and Fulton County Fire Departments before returning home to Roswell to accept the Fire Chief position where he served until his retirement in 2014. Ricky has lived in Roswell for 62 years and is married to our fellow & very active Rotarian JoAnna Benson Spencer. Thank you Ricky for a life time of service!!

Thank you all for continuing to network to find kids with orthopedic needs for us to refer to the Shriners Hospital. I'm proud to announce that we were able to make our first application to the Shriners Hospital thanks to a referral from Board Member Walt Woliver!! We have a few other applications that have been reviewed &/or are in progress from Board Members Terry Taylor & Alex Kaufman along with setup crew guru Ken Briggs. Thank you all & please continue to spread the word.

We're blessed to have PDG and current President/CEO with Rotarians for Family Health and AIDS Prevention, Inc. Alicia Michael as our speaker. Alicia is one of Roswell Rotary's biggest fans!! Please join us to welcome her back to her second favorite home away from home.

Let's make it a great year!! See you Thursday!!

President Jeff

In July, I assumed the part time position of Executive Director of the Atlanta Area Association of Independent Schools (AAAIS), a consortium of 70 independent schools in the metro Atlanta area. The group has many committees focusing on needs particular to private education, and adheres to a Principles of Best Practice that centers on common admissions procedures.

I have a son who lives in New Orleans and is a hotel manager; he has a five-year-old daughter. My daughter lives in Doraville and is an Early Intervention Program specialist at Rockbridge Elementary School in Gwinnett County. She has two girls, ages six and three.
