ROTARY YEAR 1990-91

We obtained one of our goals for the year of netting ten new members during the year, through quality recruiting.

Socials for the year included a barbecue in October, and a Christmas party dinner in December.

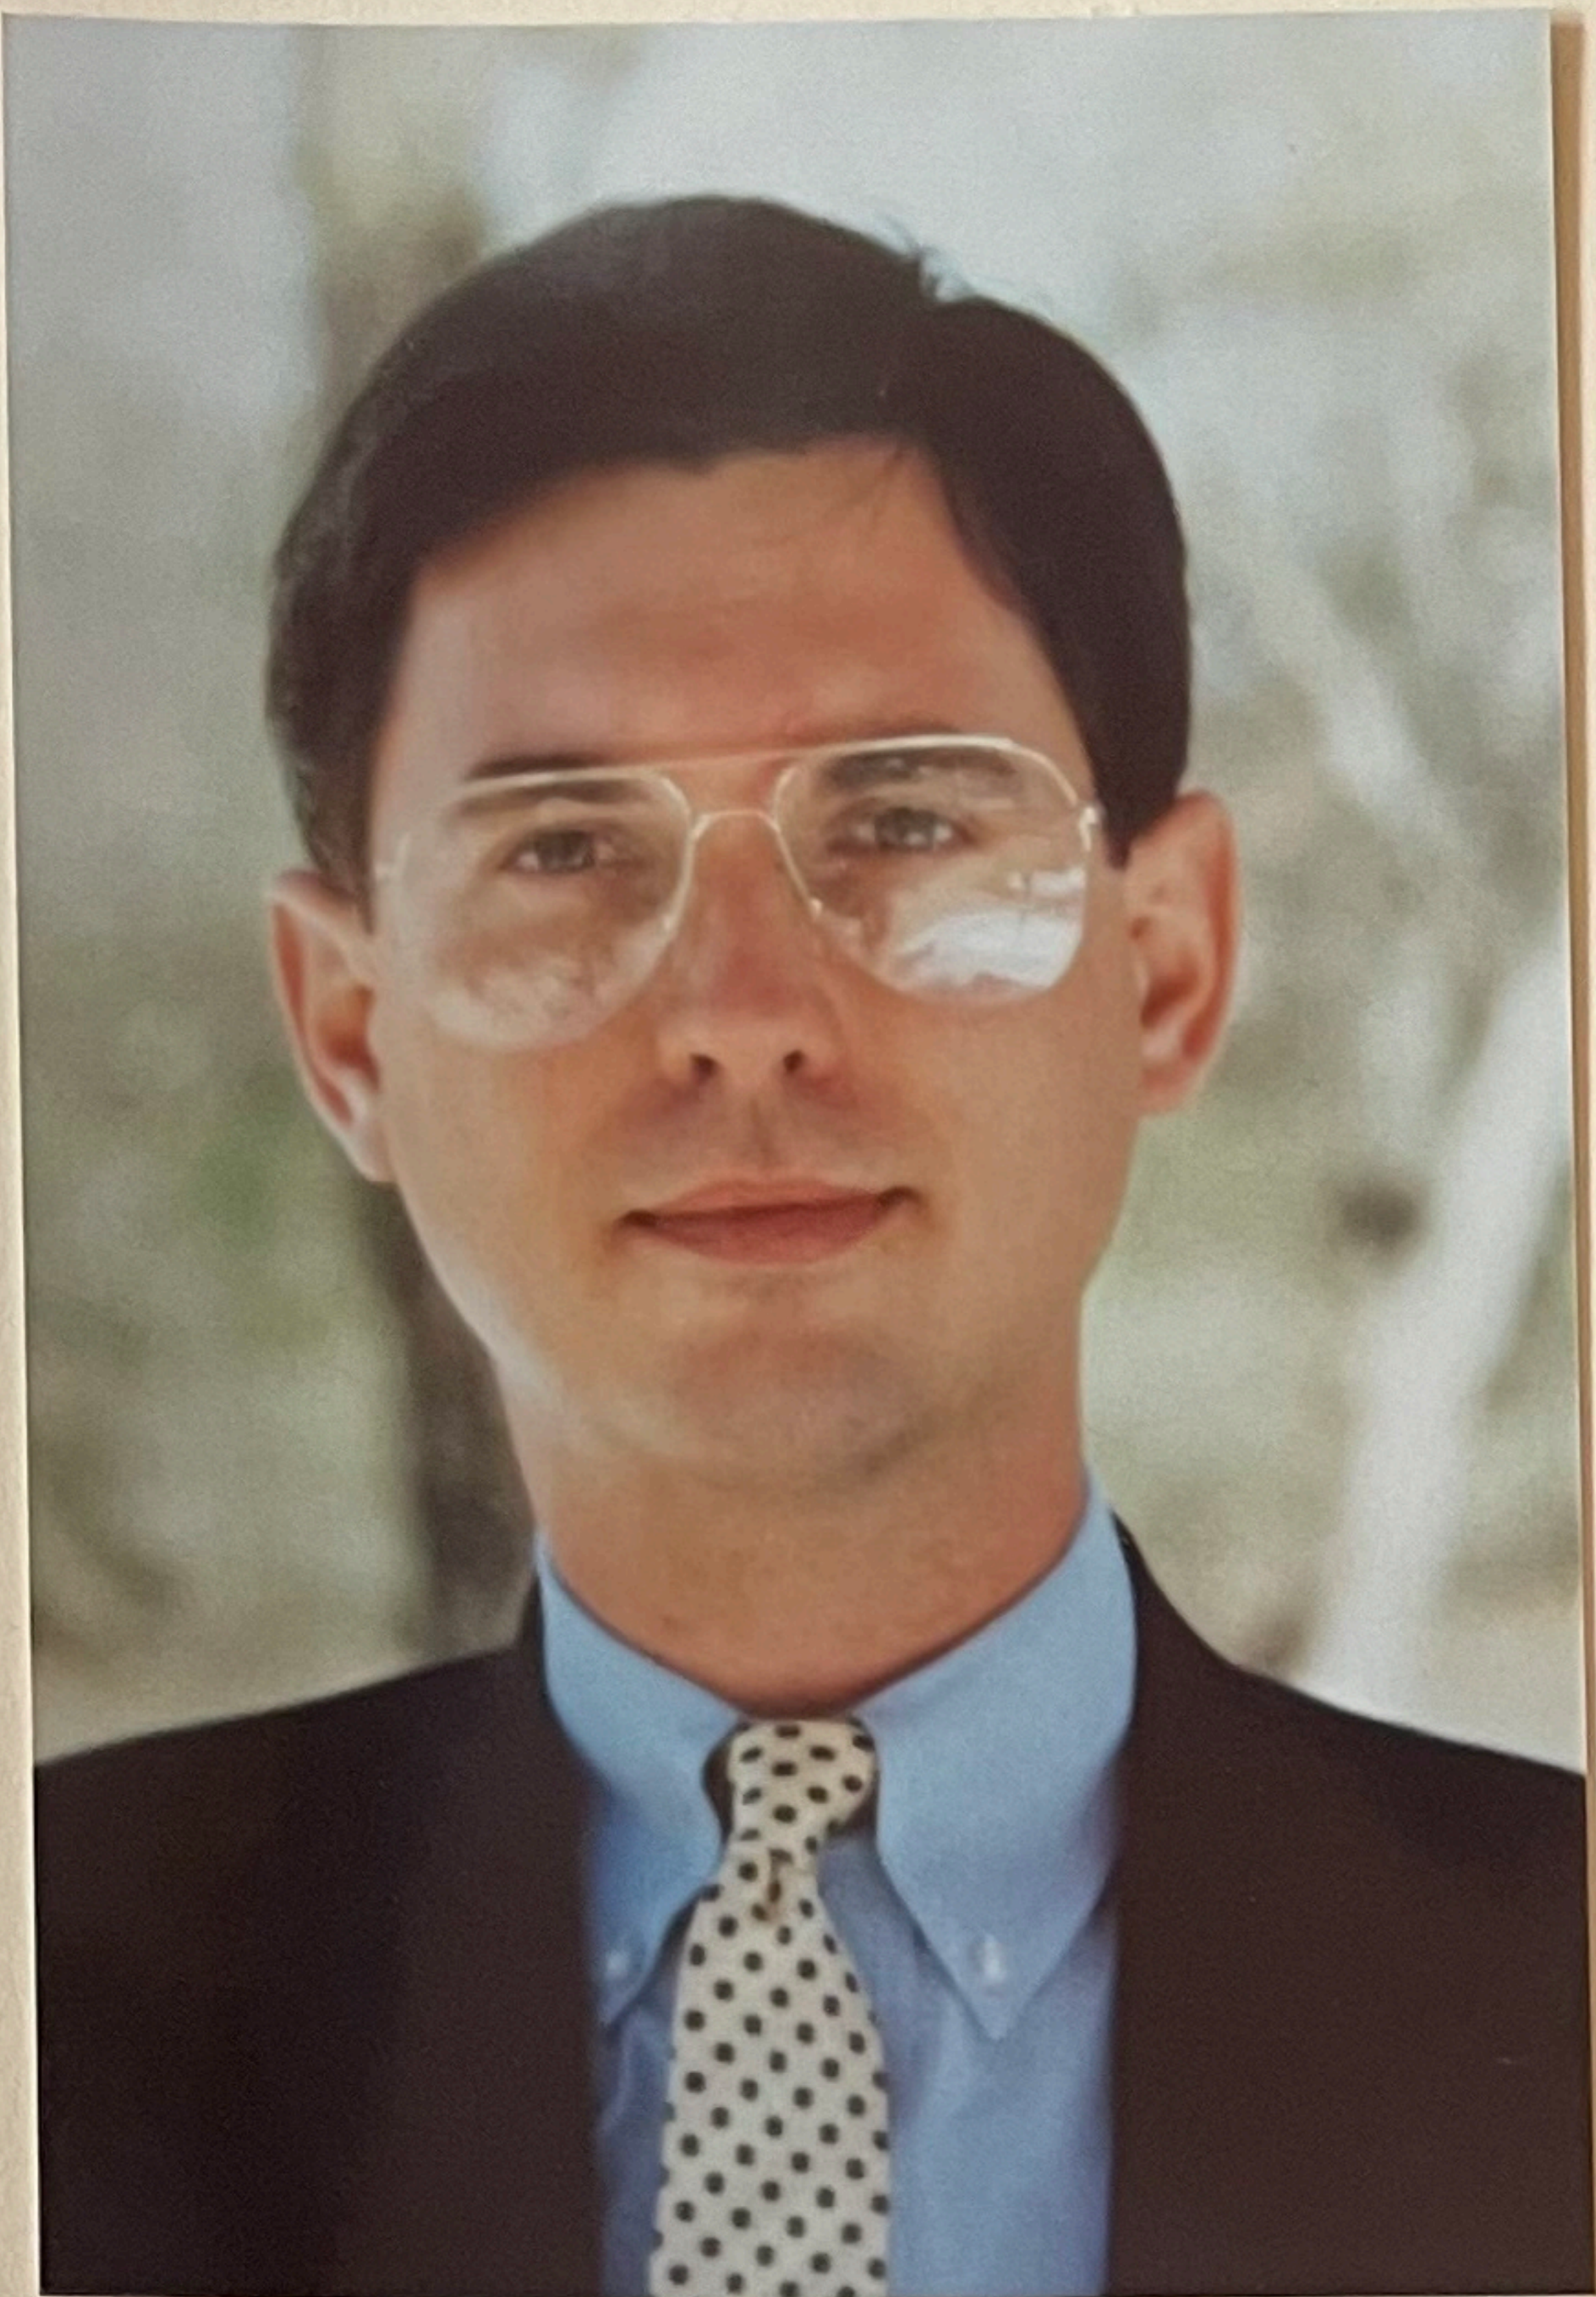

Our charitable projects included giving money to the Calvary Children's Home, the Boy Scouts, District 690, and our planned Golf Tournament for April, to be called the "Staubach Company/Vinings Rotary Club Golf Benefit" for the Cystic Fibrosis Foundation. We plan to raise at least \$4,000.00 for Cystic Fibrosis by having the golf tournament on April 29, 1991 at the Willow Springs Country Club, Atlanta, Georgia. Roger Staubach, former Dallas Cowboy's quarterback, will be our celebrity co-host.

We celebrated our one year anniversary of our Charter on November 15, 1990, and awarded perfect attendance pins on that day.

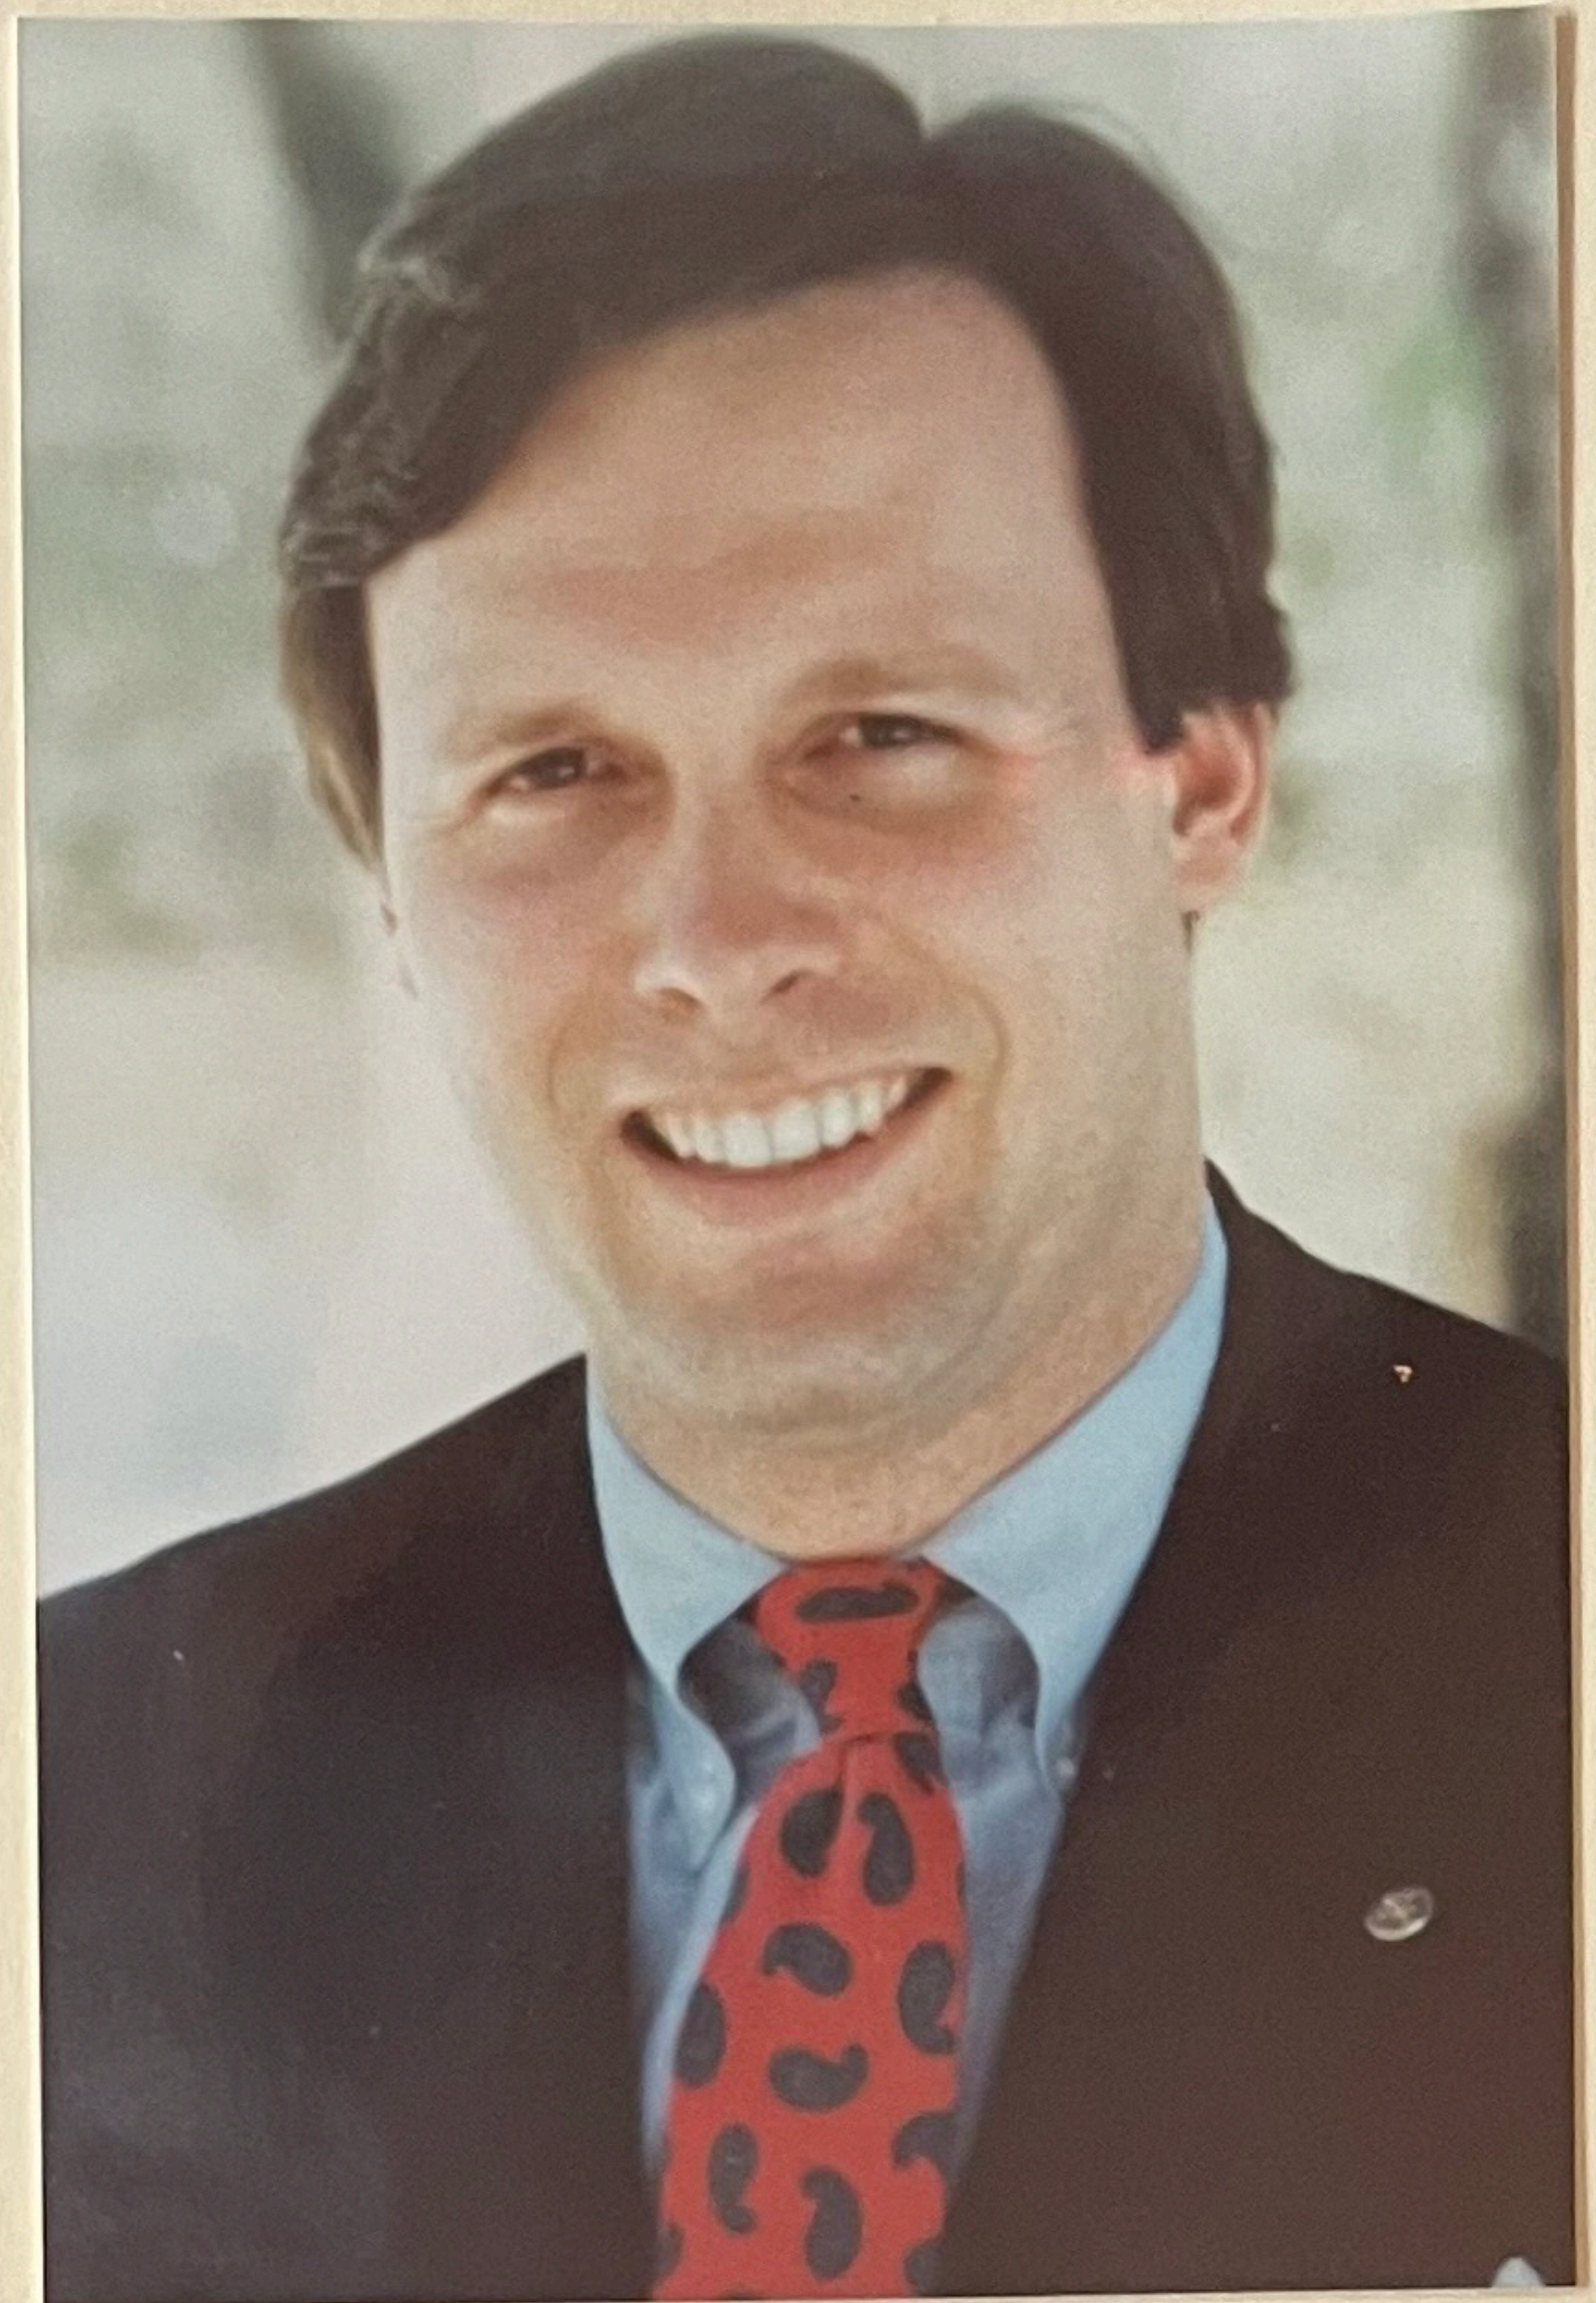

For community projects, we installed a sprinkler system and a garden at the new Vinings Library, and we acquired, through Kroger receipts, a new IBM computer for the Calvary Children's Home, Smyrna, Georgia.

We will end the year with an Installation Banquet for the new officers and directors, and hopefully will look back on a pleasant and successful year.

ROTARY CLUB OF VININGS
CLUB SERVICE 1990-91

The Rotary Club of Vinings was chartered on November 15, 1989 with 37 members and it was determined that the original Officers, Directors and all committee members would serve until July 1, 1991. As of spring, 1991, we have some 54 members, many of whom are new Rotarians serving as officers or directors. Many of our members are young and that is the backbone of any organization.

In view of the forgoing, it is my belief that our club has done a fantastic job since we were chartered. While this progress can be credited to the enthusiasm and involvement of all members of the club, I would like to give special recognition to members of committees within the area of club service - many of whom were new Rotarians - who learned quickly that "service above self" is truly what it is all about.

The 33rd Annual
District 690
Conference
Jekyll Island,
Georgia

April 27-29, 1990

In April of 1990, the Rotary Club of Vinings, then just 5 months old, was proud to be represented by six of its members and their spouses the annual District 690 Conference at Jekyll Island. Those attending were Leon Rice and Jan, Steve Kerr and Jean, Russ Wood and Madge, Carl Moore and Bryant, Jim Johnson and Ann, and Jim Callahan and Bootsie. The theme was New Orleans Mardi Gras and everyone played the part. The most memorable event at the conference occurred when our esteemed president, Leon Rice, and our esteemed secretary, Russ Wood, went deep sea fishing and (allegedly) became stuck on a sand bar returning to shore, thus being delayed 6 hours until the next high tide. According to Leon, "it didn't get bad till the beer ran out."
