Last Week: Our **regular meeting** is a work project field trip to FODAC!!!!!!

Northlaker's did a lot of good out at FODAC this week. We started out in the Thrift Store which is one of FODAC's great profit centers. We were tasked with taking all the clothes off the racks that had a RED TAG. These clothes were then sent to churches and homeless shelters around the community to be given away for free. When we concluded our task in the Thrift Store we were put to work putting a final cleaning on walkers, shower chairs and bedside toilets. It was fun getting back to heart of what Rotary stands for and that is SERVICE.
